

Thule Crossover™ MacBook® Solutions

Thule Crossover™ 25 Liter Backpack

for 15" MacBook Pro®

TCBP-317

This 25 liter backpack is designed for gear-heads who need dedicated electronics protection plus pockets and compartments for whatever the day might bring.

Product Features:

1. Padded, integrated laptop compartment holds up to a 15 inch MacBook Pro.
2. Crush proof SafeZone™ compartment protects your sunglasses, iPhone®, portable electronics and other fragile gear.
3. SafeZone™ compartment can be locked or removed for extra room.
4. Die-cut EVA shoulder straps with mesh covering provide ventilation and breathability.
5. Lightweight and protective water-resistant material and zippers
