

hp polyester film white glossy

speciality printing materials

hp designjet 5000 series printers

HP Polyester Film White Glossy gives your large-format inkjet projects a touch of class and excellence. This unique, top-quality product is a 4mil white opaque polyester film with a super-glossy white finish for universal use. It's unique fast drying formulation makes it suitable for a wide range of full-color inkjet applications.

benefits

- Superior dot control yields brilliant colours with the widest colour gamut
- High density coating cannot be over saturated
- High edge definition, no bleeding
- High mechanical stability means exceptional durability and extended image life
- Zero bleed or puddling with heavy fills
- Uniform reproduction of coloured areas
- Durable polyester film base

applications

- Attention grabbing posters and signs
- Photo reproductions
- Trade show graphics and advertising posters

Limitations: HP Polyester Film White Glossy is not waterproof and is not compatible with pigmented inks.
