MINI SOLID STATE DRIVE / mSSD SATA / USB 3.0

Small, ultra lightweight and extremely fast!

With its brushed aluminium enclosure and weight of only 29g, it is very hard to resist the Freecom mSSD. Combining a small form factor with incredible transfer speed, the sleek and stylish mSSD is equipped with the latest USB 3.0 technology. The extremely fast mSSD chipset and software pre-installed ensures that anyone copying information between devices won't be disappointed. Available in 256GB and 128GB.

Freecom mini Solid State Drive

- Ultra thin mobile Solid State Drive in sleek and stylish design
- Brushed aluminium enclosure
- Fast data transfer - up to 4 times faster than traditional HDDs*
- Data transfer rate up to 430MB/s*
- Reduced power consumption - With no moving parts the SSD uses far less energy which makes your laptop battery last longer
- USB 3.0 for super fast data transfer – also backwards compatible to USB 2.0
- Software included: Nero BackitUp (Windows only), FSSD Formatter and FSSD Eraser (Windows only), FSSD Info (Windows only)
- Power via USB port, no need to carry a bulky power adapter
- No cooling fan, ensures quiet operation
- High quality and sleek design
- All Freecom devices meet the highest industry standards
- Two years manufacturer's warranty and unlimited helpdesk support

Designed for

- Data storage - For all your data- business information, digital photos, videos, music files etc.
- Reliability - Unlike HDDs, SSD technology is better suited to withstand bumps and knocks
- File sharing - Share all your important data between computers and networks
- Backup - Protect all your data against calamity, human errors and viruses
- Archiving - Archive all your data and lock up drive for extra data security
- Installations - Copy all your software on multiple PCs

* The actual speed depends on the file size and computer performance and OS.

Small formfactor - incredible transfer speed

Anyone copying information between devices appreciates good performance in speed. The new mSSD combines a small form factor with incredible transfer speed.

Latest USB 3.0 technology

The sleek and stylish mSSD is equipped with the latest USB 3.0 technology. The 256GB version has a transfer speed of up to 430MB/s*

*The actual speed depends on the file size and computer performance and OS.

Brushed aluminium

Sophisticated design with brushed aluminium enclosure and weight of only 29g. Equipped with an extremely fast mSSD chipset and software pre-installed.

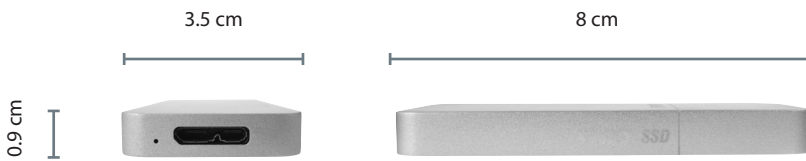

FREECOM QUALITY

Since 1989 Freecom stands for creating innovative and professional

digital (storage) solutions. All Freecom products are designed, engineered and certified in Germany according to the highest quality standards to guarantee customer satisfaction. Our in-house technical development process, the use of the highest quality components and German product inspection standards ensure superior quality and reliability. To meet the high expectations of professional users Freecom products are delivered with extensive warranty and unlimited free helpdesk support.

WHAT WILL IT HOLD	128GB	256GB
MP3 songs	25.000	50.000
JPEG pictures	82.500	165.000
DVD movies	27	55
DivX/Xvid movies	125	250

Definitions: 1GB = 1000MB – 1 MP3 song = approx. 5MB / 1 JPEG photo = approx. 1.5MB / 1 DVD movie = approx. 4.5GB / 1Xvid/DivX movie = approx. 1GB.

Some of the hard drive capacity is used for pre-loaded software, formatting and other functions, and thus is not available for data storage. As a result, your operating system may report fewer gigabytes/terabytes.

Product specifications

CAPACITY: 128GB, 256GB

INTERFACE: USB 3.0, also connects to USB 2.0**

DRIVE TYPE: mSSD SATA, low noise, low power consumption

DATA TRANSFER SPEED SPECIFICATION: max. 5Gbit/s (USB 3.0), max. 480Mbit/s (USB 2.0), theoretical maximum data transfer speeds*

POWER REQUIREMENTS: power via USB port, no power adapter required

MTBF: 1.500.000 h

ENCLOSURE: brushed aluminium

DIMENSIONS: 8 x 3.5 x 0.9 cm

WEIGHT: 29 g

ENVIRONMENTAL SPECIFICATIONS:

Operating temperature: 10° C / 35° C

Storage temperature: -20° C / 70° C

Minimum system requirements

PC: Intel Pentium III / AMD Duron 900 MHz or higher, 256MB RAM (Vista: 512MB RAM) or higher, available USB port**, Windows XP / Vista / 7 / 8

MAC: Intel Mac, 256MB RAM or higher, available USB port**, Mac OS X v10.6 or higher

* The actual speed depends on the file size and computer performance and OS.

** When connected to USB 2.0, the data transfer speed will be according to USB 2.0 specification.

Package includes

- Freecom mSSD
- USB 3.0 connection cable
- Quick Install Guide
- Free unlimited helpdesk support
- Two years manufacturer's warranty
