

MODERNA ELECTRIC KETTLE

Model: 2854/00

Code: 00C285400AR0

EAN: 8003705117945

Harmonious shapes and fine details outline the features of the 1.7L electric kettle of the Modern range.

Not a simple kettle, but a real design object able to embellish every kitchen with its sensational details like the external thermometer. The removable filter and the auto-off function make it an indispensable ally in the kitchen.

Perfect for those who like to indulge in a sweet moment with a touch of real style.
