Whirlpool induction glass-ceramic hob - ACM 918/BA

4 induction rings. flexiCook zone technology, allowing you to combine multiple burners into a single cooking zone, for larger pots and pans. 6th SENSE technology, that allows you to automatically set the optimum temperature and power for simmering, melting or boiling, at the touch of a button. This Whirlpool induction glass-ceramic Hob features: An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results. Electric power supply.

<KW Power management

Outstanding energy efficiency. With the Power Management function, you set the hob's power level, to avoid the risk of overloading the power supply in your home.

Booster

Enjoy super fast boiling times with the Booster cooking zone.

Direct Access

Intuitive design. The Direct Access front controls provide stunning, intuitive control over all of your hob's functions.

6TH SENSE

Enjoy ideal cooking results. 6TH SENSE automatically sets the ideal temperature and power for simmering, melting, or boiling, at the touch of a button.

Flexible Cooking

Automatic power settings. Select the cooking function on your touch display and your hob will automatically adjust the power level accordingly.

Eco booster

Smart savings. The Eco Booster function saves you up to 10% energy (compared to standard boosters). It analyses the power, time and energy required to boil water for a maximum of 9 minutes, then switches to a lower power automatically, to keep water at boiling level.

FlexiCook

Flexibility and performance. FlexiCook provides flexible cooking space for pots and pans of any size.

Induction technology

Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

Melting

Perfect low-heat cooking. The Melting function allows you to cook at very low temperatures, providing you with the ideal solution for melting chocolate, butter or for cooking light, delicate sauces.
