

MP-2395

Electric foot file

Flexible head - Including 2 rollers

Callus & coarse skin will be easily removed with this powerful rotating callus remover. Thanks to the flexible head, all parts of the hard skin can be reached. The fine and coarse rollers make the item usable for the coarse and extra coarse skin.

360° rotation	30 x per second
Wet and dry use	Yes
Cleaning brush	Yes
On/off switch	Yes
Cordless	Yes
Compact	Yes
Lightweight	Yes
Battery type	2 x AA
