HTB4150B

Everything you need to boost your TV's sound

The best TV companion

Pump up your home entertainment experience with this TV SoundStage. Place the TV on top, connect one cable and start enjoying your movies and music. What's more? NFC for one-touch Bluetooth® pairing.

Connect and enjoy all your entertainment

- Full HD 3D Blu-ray for a truly immersive 3D movie experience
- Bluetooth wireless music streaming from your music devices
- One-Touch with NFC-enabled smartphones for Bluetooth pairing
- HDMI for high definition movies and picture quality

Designed for simplicity

- Perfect match with your TV, just place it on top
- Touch panel for intuitive playback and volume control

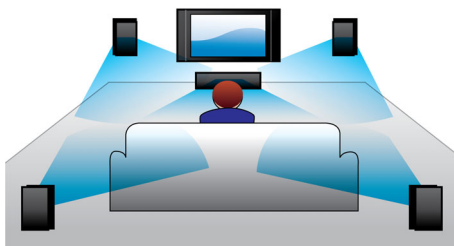

Richer sound for watching TV and movies

- Virtual Surround Sound for a realistic movie experience
- Integrated subwoofer for powerful bass
- Dolby Digital and DTS for great surround sound

PHILIPS

Highlights

Dolby Digital and DTS

Go digital and get the most out of your music and movies. Even stereo music sounds great because Dolby Digital and DTS Digital Surround enhance digital music and videos, pumping it up so you get truly immersive surround sound out of your home cinema speaker.

Full HD 3D Blu-ray

Be enthralled by 3D movies in your own living room on a Full HD 3D TV. Active 3D uses the latest generation of fast switching displays for real life depth and realism in full 1080 x 1920 HD resolution. Watching these images through special glasses with right and left lenses that are timed to open and close in synchrony with alternating images creates the full HD 3D viewing experience in your home cinema. Premium 3D movie releases on Blu-ray offer a wide, high-quality selection of content. Blu-ray also delivers uncompressed

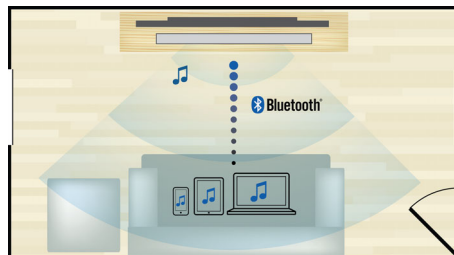

surround sound for an unbelievably real audio experience.

HDMI for HD movies

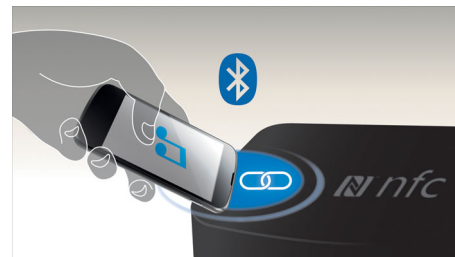

HDMI is a direct digital connection that can carry digital HD video as well as digital multichannel audio. By eliminating the conversion to analogue signals it delivers perfect picture and sound quality, completely free from noise. Movies in standard definition can now be enjoyed in true high definition resolution—ensuring more details and more true-to-life pictures.

Bluetooth wireless streaming

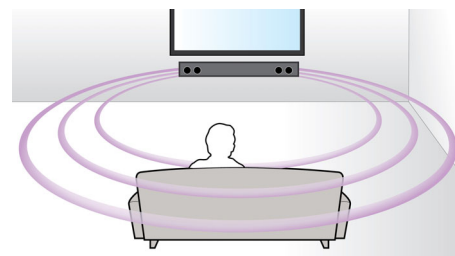

Bluetooth wireless music streaming from your music devices

NFC technology

Pair Bluetooth devices easily with one-touch NFC (Near Field Communications) technology. Just tap the NFC-enabled smartphone or tablet on the NFC area of a speaker to turn the speaker on, start Bluetooth pairing and begin streaming music.

Virtual Surround Sound

Philips Virtual Surround Sound produces rich and immersive surround sound from a less than five-speaker system. Highly advanced spatial algorithms faithfully replicate the sonic characteristics that occur in an ideal 5.1-channel environment. Any high quality stereo source is transformed into true-to-life, multi-channel surround sound. No need to purchase extra speakers, wires or speaker stands to appreciate room-filling sound.

Specifications

Accessories

- Included accessories: 2 x AAA Batteries, Quick start guide, Remote Control, Safety and Legal Leaflet, Trademarks Sheet, World Wide Warranty leaflet, Power cord, User Manual

Audio Playback

- Compression format: AAC, FLAC, MP3, Ogg Vorbis, WAV, WMA

- Number of Pre-set Channels: 40
- Tuner Bands: FM
- RDS: Station Name

Dimensions

- Main Unit (W x H x D): 701 x 70 x 317 mm
- Main Unit Weight: 6.8 kg
- Packaging (W x H x D): 840 x 135 x 176 mm
- Weight incl. Packaging: 11 kg

Packaging dimensions

- EAN: 87 12581 69985 7
- Packaging dimensions (W x H x D): 80 x 14.4 x 37.2 cm
- Gross weight: 9.13 kg
- Net weight: 7.115 kg
- Number of products included: 1
- Packaging type: Carton
- Tare weight: 2.015 kg
- Type of shelf placement: Laying

Outer Carton

- EAN: 87 12581 69985 7
- Gross weight: 9.13 kg
- Outer carton (L x W x H): 80 x 37.2 x 14.4 cm
- Net weight: 7.115 kg
- Number of consumer packages: 1
- Tare weight: 2.015 kg

Product dimensions

- Product dimensions (W x H x D): 70.06 x 7.8 x 31 cm
- Weight: 6.82 kg
