car headlight bulb

- HB4
- 12V
- 55W

9006XVB1

Feel safe, drive safe

100% more light : boost your vision on the road

Philips X-tremeVision headlight bulbs offers up to 100% more light with a light beam up to 35 meters longer than a standard lamp. X-tremeVision is engineered with state-of-the-art technology for ultimate bright light.

Benefits

Twice as much light for maximum visibility

- X-tremeVision projects 35 m light extra than a standard bulb
- Change both your headlamps at once for more safety
- Wide range of 12V lamps to meet all functions
- Greater driving comfort and safety

Original Equipment manufacturer

- Philips is the choice of all major car manufacturers
- Respecting high quality standards of the ECE homologation
- Award winning car lamp manufacturer

PHILIPS

Features

100% more light on the road

Based on a unique filament design and optimized geometry, X-tremeVision is engineered with state-of-the-art technology for ultimate performance and bright, white light where it matters the most.

Car manufacturer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Change by pairs

Highly recommended to change them by pairs for symmetric light performance

Designed for multiple usage

Which 12V lamp for which function ? Philips Automotive offering includes all car specific functions : high beam, Low beam, front fog , front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

High quality and visibility

X-treme Vision provides you with a better reactivity thanks to an earlier recognition of obstacles and traffic signs. Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps prevent accidents. Philips promotes active safety protection to prevent accidents by increasing overall visibility and road illumination.

Rewarded Car lamps

Our lamps are often rewarded by automotive experts
