

HP LaserJet Accessories for HP LaserJet 8150 series, HP LaserJet 9000 series and HP Color LaserJet 9500 series

Make life easier and get the most out of your LaserJet printer with these versatile, paper-handling accessories. Different finishing options enable you to create professional-looking documents easily. Designed to save you time and increase your productivity, they can also help you to manage your workflow more efficiently.

HP 3000-sheet Stacker

These accessories are ideal for users in general offices in medium to large enterprises, and customer-facing parts of big companies who generate a high print volume from a variety of general office applications. Users may be part of medium to large workgroups or departments, creating a range of colour and black and white documents like reports, manuals, brochures, sales and marketing collateral.

HP 3000-sheet Stacker for HP LaserJet 8150 series, HP LaserJet 9000 series and HP Color LaserJet 9500 series

No need to collate multi-page documents manually as the HP 3000-sheet Stacker automatically separates jobs. You can quickly and easily print and stack high volume documents on demand. It allows unattended printing and it also offers job offset so it's easy to produce printed sets ready for finishing or distribution. Easy to install and configure, it supports a wide range of media sizes and paper weights.

HP 3000-sheet
Stapler/Stacker

HP 3000-sheet Stapler/Stacker for HP LaserJet 8150 series, HP LaserJet 9000 series and HP Color LaserJet 9500 series

Produce complete, professional quality documents in a single step with multiple-position stapling and stacking. The stapler has six alternative stapling configurations which allows you to select the best staple placement for your printed document. It staples up to 5mm thickness (equivalent to 50 sheets).

HP Multifunction Finisher for HP Color LaserJet 9500 series and HP LaserJet 9000 series

This user-friendly accessory enables you to produce complete, ready-to-use documents quickly and easily. One convenient output device provides multiple-position stapling, stacking, and saddle-stitch booklet making. You can create manuals, brochures, and other documents in-house, which helps to eliminate the costs you incur if printing is outsourced.

HP Multifunction Finisher

HP Mailbox (5-bin with stapler, 7-bin tabletop and 8-bin) for HP LaserJet 8150 series

Three options which provide an efficient, cost-conscious means of controlling your departmental output. Jobs can be separated and collated individually. Each bin can be assigned to a workgroup or department for easy job retrieval in a network shared printer environment. These accessories make it easier to share one printer among several users in a department or workgroup without the hassle of missing jobs. The 5-bin mailbox also gives you the option to staple your documents automatically.
