The drive that sets new design standards

The new Freecom Hard Drive Sq desktop hard drive sets new design standards for an external storage device. Designed by acclaimed industrial designer Arman Emami from Germany, the Hard Drive Sq features a unique organic design, like nothing you've ever seen before. Smooth lines and a square form factor. This drive looks stunning next to any notebook or computer, even next to your TV set. To make it as lightweight as possible and less susceptible to scratches and fingerprints, the Hard Drive Sq's enclosure cover is made from aluminium. In short - the Sq is guaranteed to turn some heads! Next to a differentiating design, the Hard Drive Sq boasts the latest USB 3.0 interface, ensuring ultra fast transfer speeds compared to standard USB 2.0. The drive is fully downwards compatible with older USB 2.0 ports, so you can use it on any computer and be ready for the future at the same time! If you're looking for an exclusive looking hard drive with matching performance and ultimate portability features, look no further - the Hard Drive Sq is the drive to have!

External USB 3.0 Hard Drive

- Desktop hard drive in stylish organic design
- High quality enclosure with aluminium cover
- USB 3.0 - the latest standard, providing ultra fast data transfer speed (up to 5Gbit/s)
- Quiet drive thanks to fanless design
- The easiest way to add extra storage capacity to your computer
- Hot swappable, no need to turn off your computer
- Two years manufacturers warranty, free helpdesk support
- Also available: Freecom USB 3.0 hostcontrollers, in 2 versions: PCI Express for assembly in PC, and Express Card for use in notebook (both controllers are compatible with Windows operating systems only)

Ideal for home and office use

Home use:

- Store all your digital photo's, music, movies, games
- Take the Freecom Hard Drive Sq with you and share your files with friends
- Make an extra backup of all your important documents and files

Office use:

- Store all your spreadsheets, documents, presentations on one central location
- Take the drive home or on the road and work on your files away from the office
- Make an extra backup of your valuable work files
- Share data between computers and networks
- Use the Freecom Hard Drive Sq for software installations on multiple PC's

It's all about design

There is nothing standard about the Hard Drive Sq's design. Flowing lines, rounded edges, and a square form factor. This drive really stands out from the crowd! Designed by Arman Emami, winner of numerous industrial design awards. The uniqueness of the Hard Drive Sq predominantly lies in its shape. Rather than your standard external hard drive box, this drive has an almost square form factor and features organic shapes with rounded edges.

Save files, save the environment and save money

The Hard Drive Sq comes with environmental friendly 'green button' software. This smart piece of software reduces power consumption, which means that the Hard Drive Sq helps to save money and the environment as well as saving all your valuable files!

Can also connect to your TV

If your TV or settop box supports USB recording and/or playback, you can connect the Hard Drive Sq to your TV and record your favourite programmes and play them back at your convenience. The Sq will look perfect next to your TV.

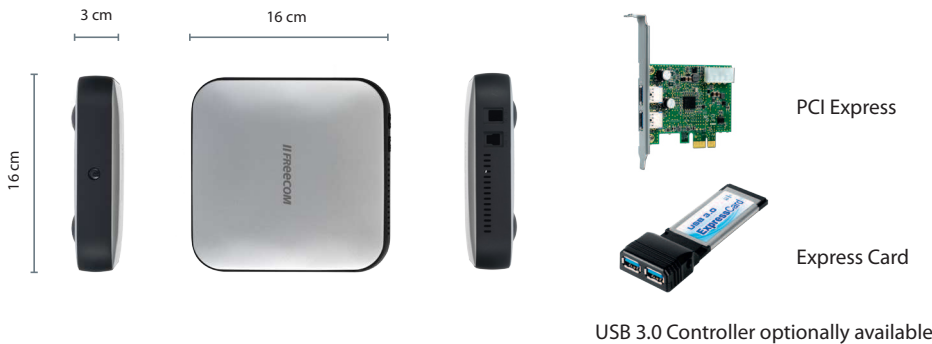

FREECOM QUALITY

Since 1989 Freecom stands for creating innovative and professional

digital (storage) solutions. All Freecom products are designed, engineered and certified in Germany according to the highest quality standards to guarantee customer satisfaction. Our in-house technical development process, the use of the highest quality components and German product inspection standards ensure superior quality and reliability. USB 3.0 Controller optionally available

WHAT WILL IT HOLD	1TB	2TB	3TB	4TB
MP3 songs	200.000	400.000	600.000	800.000
JPEG pictures	680.000	1.360.000	2.040.000	2.720.000
DVD movies	220	440	660	880
DivX/Xvid movies	1.000	2.000	3.000	4.000

Definitions: 1GB = 1000MB – 1 MP3 song = approx. 5MB / 1 JPEG photo = approx. 1.5MB / 1 DVD movie = approx. 4.5GB / 1Xvid/DivX movie = approx. 1GB.

Some of the hard drive capacity is used for pre-loaded software, formatting and other functions, and thus is not available for data storage. As a result, your operating system may report fewer gigabytes/terabytes.

Product specifications

CAPACITY: 1TB, 2TB, 3TB, 4TB
INTERFACE: USB 3.0, can also be connected to USB 2.0 port**
HARD DRIVE TYPE: 3.5" SATA, low noise, low power consumption
DATA TRANSFER SPEED: max. 5000 Mbit/s (USB 3.0), max. 480Mbit/s (USB 2.0), theoretical maximum data transfer speeds*
POWER REQUIREMENTS: AC adapter 12V / min. 1.5A
MTBF: 50.000 POH
ENCLOSURE: aluminium
PRODUCT DIMENSIONS: 16 x 16 x 3 cm
PRODUCT WEIGHT: 860 g
ENVIRONMENTAL SPECIFICATIONS:
 Operating temperature: 10° C - 35° C
 Storage temperature: -20° C - 70° C

Minimum system requirements

PC: Intel Pentium-III / AMD Duron 900MHz or higher, 256MB RAM (Vista: 512MB) or higher, available USB port**, Windows XP / Vista / 7 / 8
MAC: Intel Mac, 256MB RAM or higher, available USB port**, Mac OS X v10.6 or higher

* The actual speed depends on the file size and computer performance and OS.

** For optimal performance the drive must be connected to a USB 3.0 host controller, available on your computer's mainboard or sold separately. When connected to USB 2.0, the data transfer speed will be according to USB 2.0 specification.

Package includes
