

HP Premium Plus Photo Paper

HP Premium Plus Photo Paper is HP's best photo paper delivering professional-quality photos that resist fading up to 115 years¹. It comes in both high-gloss and satin-matt finishes and in a wide variety of sizes.

- HP Premium Plus Photo Paper meets the challenge of even the most sophisticated inkjet photo printers to deliver vibrant, consistent colour, accurate skin tones, and rich, glossy black for stunning, high-impact photos.
- HP Premium Plus Photo Paper has an impressive high quality finish through matching in weight and thickness with professional photo papers. The special non-stick back coating allows stacking without sticking for unattended printing.
- HP Premium Plus Photo Paper produces prints that will resist fading for generations¹ – longer than retail processed digital prints – for professional-quality prints that stay rich and vivid.

¹ Advanced fade performance (under glass) achieved with the newest HP inkjet print cartridge technology. The performance varies with inkjet cartridge combination used. For details, visit www.hp.com/go/printpermanence

Photo enthusiasts at home or in the office who want photo printing on their inkjet printer of a quality comparable to traditional photo processing.

HP Premium Plus Photo Paper
