## Whirlpool steam oven: inox color - AMW 599 IXL

This Whirlpool built in Steam Oven features: spacious 32 litre capacity. Exclusive 6th SENSE technology that reheats and defrost food with the use of steam, preserving valuable nutrients, vitamins, minerals and fresh taste. Revolutionary iXelium nanotechnology treatment that protects your appliance from fingerprints, scratches and dust, ensuring a perfect shine. ECO mode, for eco-friendly, low energy-consumption cooking. Outstanding cooking results, with ForcedAir+ technology.

### Reheat

Fast reheating. Your reheated meal will taste as good as it did when it was first cooked, with the fast, intuitive Reheat function.

### Defrost

Effortless defrosting. The Defrost function delicately defrosts your food, to ensure great taste and texture, in little time.

### Forced Air Plus steam

Ideal cooking results. This Whirlpool Steam Oven combines the efficient, even and thorough cooking results of Forced Air technology, with the healthy, natural action of steam.

### Forced Air

Seal in the taste. Thanks to the Forced Air technology, preheated air is circulated inside your Steam-Oven using an innovative convection system, giving you moist, juicy cooking results.

### Electronic type of control

This Whirlpool Steam Oven features convenient electronic controls that ensure accurate and precise temperature settings.

### iXelium

Long lasting shine. The revolutionary iXelium treatment protects your microwave oven from scratches and corrosion, ensuring a perfect shine, always. And it's easy to clean: all you need is water and a soft cloth.

### A Energy efficiency class

Whirlpool Ovens with high energy ratings provide outstanding energy savings and effectively reduce cooking times.

### Knob type

This Whirlpool Steam Oven features modern Push-Push knobs, concealed within the control panel, providing a smooth, contemporary design.
