Door intercom system

The IB60 series is a door intercom system. It improves both comfort and safety, contact with your visitor in advance prevents unwanted visitors. Even in case of emergencies an alarm signal can be sounded. The impact-proof metal outside post is suitable for both built-in and surface mounting. The bell pushers are illuminated when it's dark. Furthermore, it's possible to remotely unlock the door using an electric door opener (excl.). There are different IB61 designs for 1 apartment/house, IB62 for 2, IB63 for 3 and IB64 for 4 apartments. You can also connect an extra IB60
