

EAP450 Air Cleaner

Breathe easy with EAP450 air cleaner. Its Pure Source™ system cleans in five steps and includes a Washable Allergy Plus filter, Air Quality sensor, remote and an Auto Mode.

Sleep easy with 3 Stage Pure Source™ filtration

The Pure Source™ filtration system ensures best performance. It removes dirt, dust, pollen and odors in three stages to create indoor breathing air that is up to 99,9% healthier.

Enjoy total confidence with Air Quality sensor

The Air Quality sensor measures the air quality and notifies you if it decreases. Perfect for people that suffer from allergies caused by dust, pollen or pet hair.

More Benefits :

- Ease your allergies
- Discrete and minimalistic design for any home
- Get rid of unpleasant smells
