Highlights

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Spring lid

Spring lid with large opening for easy filling and cleaning, also avoiding steam contact.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Anti-calc filter

Removable anti-calc filter for a clean cup of water and a cleaner kettle.

Easy water level indicator

Easy to read water level indicators on both sides

Multi safety system

Multiple safety system against boil-dry, with auto switch off when ready or when lifted from the base.

Concealed heating element

Concealed heating element with Strix controller ensures fast boiling and easy cleaning.
