Enjoy wireless freedom with HP's most affordable wireless printer².

Give yourself the freedom and flexibility of being able to print from virtually anywhere in the home with HP's most affordable wireless printer². Enjoy secure connectivity plus the convenience of Wi-Fi Protected Setup and a wireless strength indicator. Get up to 3x more black printed pages and 2.5x more colour printed pages with optional high-capacity replacement ink cartridges⁴. ENERGY STAR® qualified. Less waste too – this HP product created from 35% recycled plastic.

Get set up in no time with easy-to-install software and intuitive controls.

Get connected and printing in no time with one-touch wireless set-up⁵ and software that's easy to install and to use. The intuitive control panel makes managing your printer simple too, with just four on-printer buttons: power, resume, wireless and a quick cancel button to stop print jobs and save ink, paper and money. Original HP inks ensure reliable printing with laser quality text and vivid colour graphics. Ink level gauge shows you when you're running low.

Print more from the web – more easily – with HP Smart Web Printing³.

Make better use of whatever you print from the web with HP Smart Web Printing³. Print only what you want to print and nothing more. Combine content from multiple sites onto a single page to save ink and paper – you can even resize and edit before printing. No more clipped pages or print-outs with just a few lines of text and no photos. Ideal for college research, flight bookings, recipes, maps, photos and anything else you print from the web.
