Rechargeable powered interdental cleaner
w/HealthyWhite+ w/ 1 nozzle & 1 brush head

HX8492/46

Highlights

Micro-droplet technology

Our clinically-proven results are possible from our unique technology that combines air and mouthwash or water to powerfully yet gently clean between teeth and along the gumline.

Better gum health

Philips Sonicare AirFloss Ultra is clinically proven to improve gum health as much as floss.** Helps improve gum health in as little as two weeks.

2 modes, 3 intensity settings

HealthyWhite+ let's you brush your way. Boost your brushing with 3 intensity settings, plus 2 modes to cover your whitening and cleaning needs. Choose Clean – for outstanding plaque removal in 2 minutes, and White – to remove stains like coffee or tea, and whiten teeth by up to 2 shades in only 2 weeks.

Cleans in just 60 seconds

With the AirFloss Ultra, cleaning your entire mouth takes less than 60 seconds a day. Simply select your burst frequency (single, double or triple), and hold down the activation button for continuous automatic bursts or press and release for manual burst mode.

Easily start a healthy habit

Interproximal cleaning is very important to overall oral health. AirFloss is an easy way to clean deeper between teeth, helping to form a healthy habit.

Helps prevent cavities

By gently bursting away plaque that brushing missed, Philips Sonicare AirFloss Ultra helps prevent cavities from forming in the spaces between your teeth.

High performance nozzle

The new Airfloss Ultra high performance nozzle amplifies the power of our air and micro-droplet technology to be more effective and efficient than ever.

Up to 99.9% plaque removal

Removes up to 99.9% of plaque from treated areas.**

Triple burst customization

AirFloss Ultra's powerful spray can be customized to your liking, with single, double or triple bursts for each press of the activation button.
