- Hi-Speed USB 2.0 Link plays video/music from USB flash drives
- Integrated Internet services

PHILIPS

Features

Netflix video streaming

Instantly watch TV episodes and movies as often as you want on your TV. All you need is an Internet connection (either Wi-Fi or Ethernet) and a Netflix membership package that includes streaming*, and you are ready to go.

Photo in various formats

View and enjoy your photos in a wide range of formats, including JPEG, JPG, M-JPEG, PNG, TIF, TIFF, GIF, BMP and HD JPEG — directly on your wide-screen TV! Turn your living room into a photo gallery and share wonderful memories with your friends and family.

HDMI for simple AV connection

HDMI stands for High Definition Multimedia Interface. It is a direct digital connection that can carry digital HD video as well as digital multi-channel audio. By eliminating the conversion to analogue signals it delivers perfect picture and sound quality, completely free from noise. HDMI is fully backwards-compatible with DVI (Digital Video Interface).

Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

Hi-Speed USB 2.0 Link

The Universal Serial Bus or USB is a protocol standard that is conveniently used to link PCs, peripherals and consumer electronic equipment. Hi-Speed USB devices have a data transfer rate of up to 480 Mbps - up from the 12 Mbps of original USB devices. With Hi-Speed USB 2.0 Link, all you have to do is plug in your USB device, select the movie, music or photo and play away.

YouTube videos

Get YouTube videos on your TV now. Enjoy the huge collection of online videos on a larger screen, without even having to turn on your computer. Simply ensure that your Blu-ray player or Home cinema system is connected to the Internet, either wirelessly* or by cables—then sit back and enjoy the best of YouTube.

Audio Playback
