HP ENVY Pro Curved All-in-One Desktop PC

The all-encompassing Business All-in-One

Style meets substance in the HP ENVY Pro Curved All-in-One Business PC. High-performance computing power and the immersive audio - visual experience you've been waiting for come together in this massively inspiring and captivating 86,34 cm (34") diagonal curved widescreen engineering marvel.

- Windows 10 Pro¹
- 86,34 cm (34") diagonal curved display

Visually stunning 86,34 cm (34") diagonal curved display

- Take your business to a new level with this Technicolor Color Certified curved widescreen AiO business sensation. The Ultra WQHD, 86,34 cm (34") diagonal, curved sRGB panel provides all the room you need to keep multiple apps open and in sight.

A design icon

- Immerse yourself in the amazing audio and visual experience of this beautifully crafted curved All-in-One featuring a head-turning design inspired by the curves and lines of the modern movement. Any way you look at it, it's sure to impress.

Great multitasker

- A powerful 6th Gen Intel® Core™ i7 processor², NVIDIA® GeForce® GTX™ 960A graphics, an HP Turbo Drive, and DDR4 memory manage the workload so you can multitask through your day with multiple apps working at once.

Cutting-edge for your workplace

- Business-class reliability, on-site support³, and security features like TPM, Biometric Authentication and Windows 10 Pro¹ make the HP ENVY Pro Curved All-in-One a smart business decision.

Featuring

- Be productive in any situation. Windows 10 Pro¹ and powerful security, collaboration, and connectivity features from HP help you power through your day on the 34-inch diagonal HP ENVY Pro Curved AiO.
- Increase storage and performance with the powerful HP Turbo Drive that handles your growing and complex workloads.
- Collaborate with colleagues using a suite of immersive audio and visual features.
- Advanced audio processing with Audio by Bang & Olufsen, three left-facing, and three right-facing speakers enhance your sound. The result is a totally refined, completely immersive audio experience.
- The Technicolor Color Certified HP ENVY Pro Curved AiO produces true color accuracy so you get great quality video, image and web content, the way they were intended to be seen.
- Use the Intel® RealSense 3D webcam with Windows Hello for facial recognition instead of putting in a password.
- The embedded Trusted Platform Module (TPM) 2.0 provides hardware-based encryption keys to help secure your data, e-mail, and user credentials.
- Easily connect to networks and devices with WLAN⁴, Bluetooth® USB and HDMI connections.

HP ENVY Pro Curved All-in-One Desktop PC

HP ENVY Pro Curved All-in-One Desktop PC

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

⁴ WLAN requires wireless access point and internet service, sold separately. Availability of public wireless access points limited.

Technical specifications disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and up to 36 GB (for Windows 8.1 and 10) of system disk is reserved for system recovery software.

⁴ Wireless card is standard on this product. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of this desktop PC to communicate with other 802.11ac WLAN devices.

⁵ HD content required to view HD images.

⁶ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
