

Comfort Gel Keyboard Wrist Rest — Black

62385

Product Description

The Comfort Gel Keyboard Wrist Rest provides extra support and comfort when you're typing. The gel pad conforms to the natural contours of your wrists and minimizes pressure on your hands and wrists so you can be productive for longer periods of time with less aches and pains. A non-skid base ensures the pad stays in place while you're busy typing away on the keys.

Features

- Gel padding acts like a pillow and adapts to natural curves of your wrists
- Non-skid base helps keep the keyboard wrist rest firmly in place
