HP Wireless Comfort Mobile Mouse - by Studio Tord Boontje

HP Wireless Comfort Mobile Mouse by Studio Tord Boontje

Express your style and your commitment to the environment. The HP Wireless Comfort Mobile Mouse by Studio Tord Boontje's organic looks, PVC-free eco design and recycled packaging tell the world who you are at home and on the road.

- **Nature-inspired style in an ultra-comfortable high-tech travel mouse**

Express yourself in organic style. The compact, distinctive HP Wireless Comfort Mobile Mouse by Studio Tord Boontje boasts contoured edges with a rubber coating for comfort and control. Right- and left-handers will love the symmetrical design.

- **Express your commitment to the environment**

Save the planet. The HP Wireless Comfort Mobile Mouse by Studio Tord Boontje features energy-efficient components and power-saving smart standby modes. The 90% recycled packaging uses at least 74% recycled materials and is printed with soybean inks.

- **Go wireless and experience true freedom**

Enjoy freer computing on the go. The HP Wireless Comfort Mobile Mouse by Studio Tord Boontje cuts down on interference and offers a longer range of operation, with no messy wires. Leave the tiny receiver plugged into your PC where it won't get lost.

- **Laser performance, speed and control on any terrain**

Bye-bye mouse pad! The HP Wireless Comfort Mobile Mouse by Studio Tord Boontje offers high-precision tracking on all surfaces. The advanced 4-way tilt scroll wheel navigates right and left, while Teflon feet deliver accuracy and progressive speed.

- **Programmable buttons execute your favourite commands**

Your mouse, your way! The HP Wireless Comfort Mobile Mouse by Studio Tord Boontje features two additional programmable buttons. Launch apps, control sound volume, navigate backward and forward, zoom in and out or launch your favourite websites.
