

Kettle

- 1.6 L 2400 W
- Water level indicator
- White beige
- Hinged lid

HD9300/02

Fast and easy boiling

Single action filter for limescale protection

Thanks to the flat heating element, the kettle boils water quickly and it is easy to clean. The washable anti-calc filter gives you clear water, thus clearer drinks.

Benefits

Easy to experience

- Cordless 360° pirouette base for easy lifting and placing
- Power cord winder for easy storage
- Easy lid and spout filling
- Easy to read water level indicators on both sides
- Hinged lid with large opening for easy filling and cleaning

Fast boiling and easy cleaning

- Single action filter for limescale protection
- Flat heating element for fast boiling and easy cleaning

Safe to use

- Multi safety system

PHILIPS

Features

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Easy lid and spout filling

The kettle can be filled via the spout or by opening the hinged lid.

Multi safety system

Multi safety system against boil-dry, with auto switch off when ready.

Water level indicators

Easy to read water level indicators on both sides of the Philips electric kettle for left and right handed use.
