

hp scanjet 4500c

hp scanjet 4500c digital flatbed scanner

Fast, professional quality scanning with 2400 dpi / 48-bit performance and preview scans in under 7 seconds. Innovative copier-style design maximises usability, while five one-touch buttons deliver access to key functions – including “copy centre”.

Designed for small office / home office / home users looking for an affordable and compact machine that delivers professional quality scanning and copying of documents, photos, graphics and even 3D objects as quickly as possible – and takes up the minimum usable desk space.

Professional quality scanning for documents, graphics and photos.

- 2400 dpi resolution and 48-bit colour for superb results – whatever you scan.
- Outstanding reproduction of photos, graphics, logos, drawings or any other images.
- Capture text from documents using OCR technology.
- Clean, crisp images with vivid, true to life colour.
- Photo quality scanning for reprints or colour copies.
- CCD technology means you can even scan open books and other 3D objects, e.g. framed pictures.

Landscape design provides “copier-like” usability and easier access.

- “Copier-like” format means more intuitive operation.
- Sits neatly at the back of a desk or on narrow shelves.
- Minimum intrusion into productive desk space.
- Make the most of available space.
- “Low opening” lid means minimum space needed above.
- Easy access to controls via front panel buttons.

Fast and convenient – instant access to key tools via one-touch buttons.

- One-touch scanning optimised for documents (can be switched to photo-mode).
- One-touch save-document-to-disc – scan multiple pages and save to CD or hard drive as one document.
- One-touch e-mail for sharing information and images – auto attaches your scan to an e-mail.
- One-touch share-to-web automatically scans image, opens a browser window, and lets you share your image via the web.
- Preview scans in 7 seconds – or skip previews for faster results.
- Faster scans with USB 2.0 high speed.
