21.5 inch (54.6 cm) LCD MONITOR

Webcam and Microphone

With a built-in webcam and microphone, these displays make it easy to stay in touch. Make a video call and catch up with a friend, or read a bedtime story, even when you're away on business. From webinars to family chats, these AOC monitors help you stay connected.

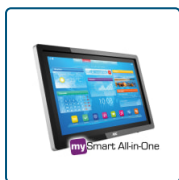

Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge. Read the complete AOC warranty statement for more information.

Touch technology

With the touch of your finger, you can use your screen in a whole new way! This special interface lets you use your hands or a stylus to intuitively interact with the screen using natural gestures like tap, swipe or rotate. It's ideal for playing games or using the latest apps, plus you'll enjoy the break from your keyboard and mouse.

My Smart All-in-One

Powered by Android 4.0, My Smart All-in-One brings a new world of multimedia to your fingertips – without the need for a separate PC. This advanced multi-touch technology lets you interact with all your content using natural gestures like pinch, zoom, rotate, swipe and scroll. The larger screen is ideal for reading e-books and magazines, as well as watching movies or videos. Touch functionality makes it perfect for every member of your family – kids will love the range of entertaining and educational apps designed just for them.

Android

The Android-based operating system provides access to an outstanding selection of apps and content in the Google Play™ Store. Surf the web, catch up with friends or play games with the touch of a finger.
