Highlights

Improve the visibility

Philips high power white LED car light, has been designed to improve the visibility on LCD screen of cars using a reverse camera.

ECE beam pattern compliant*

Similar or better beam pattern than standard halogen lamp, to see and be seen better. * There is no ECE regulation existing for LED bulbs. ECE beam pattern compliance is tested on several commonly used luminaires where the LED bulb beam pattern matches the ECE approved halogen beam pattern

12 year lifespan

High heat and vibration resist

3 year limited warranty

3 year limited warranty for consumer usage
