Lifetime

- Life time: Up to 2300 h

Light characteristics

- Lumens: 350 lm

Electrical characteristics

- Wattage: 19 W
- Voltage: 12 V

Ordering information

- Order entry: 12085LLC1
- Ordering code: 70046630

Packaging Data

- Packaging type: C1
- EAN1: 8727900700466
- EAN3: 8727900390926

Packed product information

- Width: 3.5 cm
- Height: 6.5 cm
- Net weight per piece: 9 g
- Gross weight per piece: 16.667 g
- Length: 3.5 cm
- Pack Quantity: 1
- MOQ (for professionals): 10

Outer pack information

- Length: 14.5 cm
- Width: 12 cm
- Height: 12 cm
- Gross weight per piece: 0.25 kg

Highlights

Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Designed for multiple usage

Which 12-V lamp for which application? Philips' Automotive offering includes all car-specific functions: numberplate lights, rear position/parking light, glove box lights, interior signalling, front parking lights.

ECE homologation

Philips automotive products and services are considered best in class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high-quality products and tested to the highest specifications, our products are designed to maximise the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

Extended lifetime

LongLife indicator and interior lights are the best choice for drivers seeking optimal value. Their increased lifetime combined with high heat and vibration resistance guarantees a hassle-free drive for extended periods of time.
