Specifications

Marketing specifications

- Expected benefits: Durability
- Product highlight: Built to last

Product description

- Application: fog beam, High beam, Low beam
- Designation: 13972MDC1
- Range: MasterDuty
- Technology: Halogen
- Type: H7
- Base: PX26d
- Homologation ECE

Electrical characteristics

- Voltage: 24 V
- Wattage: 70 W

Ordering information

- Order entry: 13972MDC1
- Ordering code: 82581060

Outer pack information

- Gross weight per piece: 1.79 kg
- Height: 14.7 cm
- Length: 37.6 cm
- Width: 18.6 cm

Packaging Data

- EAN1: 8711500825810
- EAN3: 8711500825827
- Packaging type: C1

Packed product information

- Gross weight per piece: 0.146 g
- Height: 6.500 cm
- Length: 37.6 cm
- Net weight per piece: 0.103 g
- Pack Quantity / MOQ: 100
- Width: 14.7 cm

Highlights

Maximum vibration resistance

Philips MasterDuty features increased mount and base stiffness for ultimate protection against mechanical shock as well as a robust double-coil filament designed to withstand severe vibration while remaining stable. Philips MasterDuty provides drivers with an increased lifetime of up to 550 hours.

Up to 130% brighter light

Perfect illumination is especially important in the distance — usually between 75–100 metres in front of your vehicle. Philips MasterDuty boosts your visibility with up to 130% brighter light* on the road. This helps you recognise obstacles and any potential dangers earlier than with most other halogen headlight lamps.

Enhanced lifetime

Every potential failure of a spare part is a risk for you and your vehicle. This is especially true for headlights. Every broken headlight lamp reduces visibility and safety for you and the oncoming traffic. Philips MasterDuty is optimised for a long and reliable lifetime. You can see and be seen for longer than with any other high-performance lamp.

Highest quality car lighting

Technologically advanced Philips lighting is renowned in the automotive industry and has been for over 100 years. The Philips Original Equipment Quality products are designed and developed following strict quality-control processes (including applicable ISO norms), leading to consistently high production standards. Philips MasterDuty is compatible with truck and bus models of major brands. See the product selector guide for more information.
