ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in the aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximise the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements

Xenon blue effect

Philips interior and indicator bulbs are the best choice for drivers seeking a stylish effect. The cool white light provides greater visibility in all car applications (numberplate lights, rear position/parking light, glove box lights, interior signalling, front parking lights).
