

Powerful, portable and with two ways to work and play

Sleek and powerful, this All-in-One computer quickly transforms into a tabletop tablet for multiplayer games on Aura's optimized user interface. An integrated battery allows mobility around the home – whether working, watching videos or playing games. Packed with an amazing store of hand-picked apps, welcome home a device that offers something for everyone.

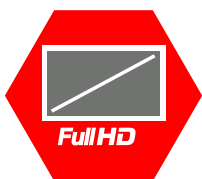

Work and play around the house

An integrated 3-hour battery, WiFi, Bluetooth® and two different ways to work and play allow you to catch up on work or play around the house.

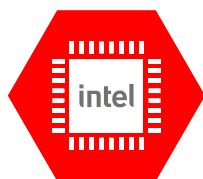

Built for fun

Aura's unique user interface and app ecosystem gives you the ultimate experience when playing with YOGA™ Home 500 as a giant tablet.

One incredible display

Pinch, flick, swipe and drag your way around on an expansive 21.5" Full HD display with 10-point multitouch.

Performance you need

Featuring the latest Intel® Core™ i processors and NVIDIA® discrete graphics, this PC comes packed with all the power you need.
