5,000+ DESIGNS
AVAILABLE FOR
PURCHASE

THE Dream Machine™ Innov-is XV8500D

► Built-in stitches, embroidery designs and fonts

726 built-in sewing stitches, including 15 styles of one-step auto-size buttonholes and 1 style of four-step buttonholes. 939 built-in embroidery designs, including 166 designs featuring Disney characters, 140 frame pattern combinations, 22 embroidery lettering fonts and 5 sewing lettering fonts.

► 10.1" industry's largest built-in high-definition LCD display

23% larger than prior models. View your creations in crisp, vivid color and navigate easily with the new user interface and large, intuitive icons. View built-in tutorials and MP4's on-screen.

► 11.25" from needle to arm

Our largest needle to arm – offers over 56 square inches of workspace – a dream for any quilter with the ability to accommodate a rolled king-size quilt!

► Large 9.5" x 14" embroidery field

Maximum embroidery field of 9.5" x 14". Includes four sizes of embroidery frames: 9.5" x 14", 8" x 12", 5" x 7" and 4" x 4".

► Industry-first InnovEye® 2 Technology

Get a live and up close view of the needle area for the most precise positioning ever. Now with up to 2x the scanning speed and up to 3x the resolution of prior models. See your desired stitch superimposed on your project, giving you the ability to adjust your stitch width or placement.

► Industry-first ScanIMATION™ Scanning Frame and Technology

Using InnovEye® 2 Technology and our state-of-the-art scanning frame, scan drawings or printed clip art directly into My Design Center.

► Industry-first My Design Center – Line Art Scan and Embroider

Scan handwriting or line art on the ScanIMATION™ Scanning Frame, and then watch as they are transformed into unique embroidery designs. You can also draw directly on the LCD display.

► Industry-first My Design Center – Illustration Scan and Embroider

Use the ScanIMATION™ Scanning Frame to scan an image or illustration, or import a JPEG using the USB port, and watch as the image is turned into stitch data just using the machine.

► Industry-first My Design Center – Stippling

Choose from a library of built-in shapes, scan your fabric to define your stippling area, or draw your own design and scan it in to create personalized stippling.

► MuViT™ Digital Dual Feed System and Couching Foot

Powerfully feed fabric from the top AND bottom, and sew precise, uniform stitches on a range of fabrics from silk to denim. Combine with the new included Couching Foot to easily add cording techniques to your projects.

► AccuTrac™ Embroidery System

Our advanced system provides better under arm support, reduces bounce and provides better stitch quality.

► Multi-function Screwdriver

This innovative tool has 3 positions that allow you to easily tighten the needle screw, needle plate screw, presser foot screw and embroidery frame.

► Sew Straight™ Laser Vision Guide

Now with a brighter guide and a wider range up to 19mm, it's never been easier to sew a straight line. A huge benefit when top stitching, piecing, pintucking and cording.

► Color Shuffling™ 2 function

Love a certain color scheme? Not sure how to combine colors? Use the new pin function in Random and Gradient modes to ensure your favorite colors are included in your shuffle.

► InnovaChrome™ LED Thread Lighting System

Our revolutionary visual status system indicates when a thread color change is needed, what the next color is, as well as thread breakages and alerts.

DreamWeaver™ XE Innov-is VM6200D

- ▶ **Built-in stitches, embroidery designs and fonts**
561 sewing stitches (531 built-in, 30 on CD), 318 built-in embroidery designs, including 91 designs featuring Disney characters and 13 bobbin work designs, 14 embroidery fonts, 3 Japanese embroidery fonts, and 140 frame pattern combinations.
- ▶ **V-Series: Our largest workspace ever**
Enjoy the expansive 5" x 11.25" workspace to accommodate large projects.
- ▶ **Large 3.6" x 6" LCD touch screen display**
See up to 260,000 colors with little or no on-screen color shifting. View on-screen tutorials, and control the machine with the large, intuitive icons.
- ▶ **V-Sonic™ Pen Pal for sewing**
Change needle position, set stitch width and position, select sewing end point, and set laser guide position without taking your eyes off your project – simply touch and sew.
- ▶ **V-Sonic™ Pen Pal for embroidery**
Ultrasonic sensing provides embroidery design positioning and angle rotation with a simple touch – because everyone needs a pal once in a while.
- ▶ **10-inch LED Runway® Lighting**
No more task lights needed. Up to 50% brighter than in most Brother machines!
- ▶ **MuVit™ Digital Dual Feed Foot**
Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.
- ▶ **Droplight™ Embroidery Positioning Marker**
The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.
- ▶ **Sew Straight™ Laser Vision Guide**
It's never been easier to sew a straight line – a huge benefit when top stitching, piecing, pintucking and cording.
- ▶ **Up to 1,050 stitches per minute**
Create more works of art in less time.
- ▶ **Large embroidery area**
Maximum embroidery field of 7" x 12". Includes two sizes of embroidery frames: 7" x 12" and 5" x 7".
- ▶ **Built-in dual USB ports**
Easily import designs from your memory stick.
- ▶ **Computer connectivity with update capability**
Enjoy free machine updates from your computer.
- ▶ **iBroderly.com compatible**
Over 5,000 designs available for individual purchase on iBroderly.com.
- ▶ **Exclusive bag set included – \$299.99 value**

DreamCreator™ XE Innov-is VM5100

- ▶ **Built-in embroidery designs, fonts and frame pattern combinations**
561 sewing stitches (531 built-in, 30 on CD), 318 built-in embroidery designs, including 13 bobbin work designs, 14 embroidery fonts, 3 Japanese fonts and 140 frame pattern combinations.
- ▶ **V-Series: Our largest workspace ever**
Enjoy the expansive 5" x 11.25" workspace that provides plenty of space for large projects.
- ▶ **Large 3.6" x 6" LCD touch screen display**
See up to 260,000 colors with little or no on-screen color shifting. View on-screen tutorials and control the machine with the large, intuitive icons.
- ▶ **10-inch LED Runway® Lighting**
No more task lights needed. Up to 50% brighter than in most Brother machines!
- ▶ **Optional MuVit™ Digital Dual Feed**
Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.
- ▶ **Optional Droplight™ Embroidery Positioning Marker**
The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.
- ▶ **Up to 1,050 stitches per minute**
Create more works of art in less time.
- ▶ **Large embroidery area**
Maximum embroidery field of 7" x 12". Includes two sizes of embroidery frames: 7" x 12" and 5" x 7".
- ▶ **Built-in dual USB ports**
Easily import designs from your memory stick.
- ▶ **Computer connectivity with update capability**
Enjoy free machine updates from your computer.
- ▶ **Automatic Height Adjuster™ (AHA®) feature**
The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.
- ▶ **Pivot function**
The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulations.
- ▶ **iBroderly.com compatible**
Over 5,000 designs available for individual purchase on iBroderly.com.
- ▶ **Added value – \$999!**
 - **Exclusive bag set**
 - **Flip-Pal® mobile scanner**
 - **PE-DESIGN® PLUS with PhotoStitch™ feature**

Innov-ís NQ3500D

► **Built-in stitches, embroidery designs and fonts**

290 built-in sewing stitches, 173 built-in embroidery designs, including 35 designs featuring Disney characters, 140 frame pattern combinations, 11 embroidery lettering fonts and 5 sewing lettering fonts.

► **Large embroidery area**

Maximum embroidery field of 6" x 10". Includes two sizes of embroidery frames: 6" x 10", 5" x 7".

► **8.3" from needle to arm**

Easily maneuver fabric when working on projects of all sizes.

► **14% larger workspace***

Enjoy the expansive work area on the bed of the machine to accommodate large projects.

► **3.7" color LCD touch screen display**

Use the super bright, vivid color touch screen to manage all your sewing, quilting and embroidery functions.

► **Built-in USB port**

Easily import designs from your USB memory stick.

► **Design editing features**

Includes letter editing, enhanced zoom, resizing, rotating, repositioning and combining designs.

► **Stitches per minute**

Embroider and sew designs at up to 850 stitches per minute. Create more works of art in less time.

► **Automatic Height Adjuster™ (AHA®) feature**

The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.

► **Pivot function**

The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

► **Enhanced My Custom Stitch™ feature**

Combine and edit custom and built-in sample stitches.

► **Advanced needle threading system and automatic thread tension**

With the push of a button, the thread is pushed through the eye of the needle.

► **Jam-resistant Quick-Set™ drop-in top bobbin**

Just drop in a full bobbin, pull the thread through the slot, trim and start sewing.

► **iBroidery.com compatible**

Over 5,000 designs available for individual purchase on iBroidery.com.

► **Custom rolling bag set included – \$299.99 value**

Innov-ís 1250D

► **Built-in stitches, embroidery designs and fonts**

184 built-in sewing stitches, 171 built-in embroidery designs, including 35 designs featuring Disney characters, 6 embroidery lettering fonts and 3 sewing lettering fonts.

► **On-screen editing**

Enlarge or reduce patterns, or rotate and position.

► **Large embroidery area**

Maximum embroidery field of 5" x 7". Includes two sizes of embroidery frames: 5" x 7" and 12" x 5" multi-position frame.

► **Built-in USB port**

Easily import designs from your memory stick.

► **Advanced needle threading system**

With the press of a lever, the thread is pushed through the eye of the needle.

► **Automatic thread trimming system**

Cuts threads between color stitch blocks, a blessing of convenience.

► **Adjustable machine speed**

Select embroidery speed up to 650 stitches per minute and sewing speed up to 850 stitches per minute.

► **My Custom Stitch™ feature**

Create personalized sewing stitches and save for future use.

► **iBroidery.com compatible**

Over 5,000 designs available for individual purchase on iBroidery.com.

Innov-ís 990D

► **Built-in stitches, embroidery designs and fonts**

168 built-in sewing stitches, 105 built-in embroidery designs, including 35 designs featuring Disney characters, 120 frame pattern combinations, 6 embroidery lettering fonts and 3 sewing lettering fonts.

► **Embroidery Design Boutique CD included**

Features 200 additional classic embroidery designs and a handy color reference chart.

► **Large workspace**

Embroidery arm cover converts to extension table to accommodate larger projects.

► **3.7" LCD touch screen display**

Use the back-lit touch screen display to manage all your sewing, quilting and embroidery functions.

► **Built-in USB port**

Easily import designs from your USB memory stick.

► **Large embroidery area**

Maximum embroidery field of 4" x 4". Includes one embroidery frame: 4" x 4".

► **Included bobbin work**

Use the bobbin case for bobbin work to enhance any project with beautiful raised and textured stitches.

► **My Custom Stitch™ feature**

Create personalized sewing stitches and save for future use.

► **iBroidery.com compatible**

Over 5,000 designs available for individual purchase on iBroidery.com.

Simplicity
by Brother

SB7500 - Simply Original

► **Built-in stitches, embroidery designs and fonts**

67 built-in sewing stitches, 170 embroidery designs (70 built-in and 100 on a CD), 120 frame pattern combinations and 5 embroidery lettering fonts.

► **Easy-to-use, back-lit LCD touch screen display with editing features**

Gives you the ability to rotate, mirror images and increase/decrease the size of your design.

► **Large embroidery area**

Maximum embroidery field of 4" x 4". Includes one embroidery frame: 4" x 4".

► **Advanced needle threading system**

With the press of a lever, the thread is pushed through the eye of the needle.

► **Built-in push-button thread cutter**

Easily trim thread with built-in scissors.

► **Drop feed for free-motion sewing and quilting**

Drop the feed dogs to smoothly move fabrics for free-motion sewing and quilting.

► **Thread sensor**

Automatically detects when the machine is running low on thread.

► **Computer connectivity with update capability**

Enjoy free machine updates and easily import embroidery designs from your computer.

► **iBroidery.com compatible**

Over 5,000 designs available for individual purchase on iBroidery.com.

*Versus previous model without extension table.

5,000+ DESIGNS
AVAILABLE FOR
PURCHASE

Entrepreneur® Pro PR1000e

- ▶ **10-needle embroidery machine**
Embroider multi-color designs faster and easier, with fewer thread changes.
- ▶ **Automatic needle threading system**
Thread each needle in seconds with the press of a button.
- ▶ **Large embroidery area of 14" x 8"**
Includes four sizes of embroidery frames: 14" x 8", 5" x 7", 4" x 4" and 2" x 1.5".
- ▶ **InnovEye® Technology**
It's like having a built-in camera above the needle; provides a crisp, clear, magnified image on the LCD screen display. Use for precise positioning of designs.
- ▶ **Snowman® Embroidery Positioning Marker**
Designed to work with the InnovEye® Technology, this feature is like having a built-in GPS system for your needle position, allowing for ultra-precise positioning of designs.
- ▶ **Built-in embroidery designs and fonts**
110 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts, including new children's, handwritten and connected script fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles.
- ▶ **Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation**
16.7+ MILLION possible colors with little or no on-screen color shifting and enhanced viewing angle of 176 degrees.
- ▶ **Expanded design editing features**
Alter designs on the LCD touch screen display – with built-in rotating, mirror imaging, enlarge/reduce, letter spacing, thread density, group edit functions and more.
- ▶ **Two USB ports**
High speed port for fast design transfers. A second port for machine peripherals.
- ▶ **Computer connectivity with update capability**
Enjoy free machine updates from your computer.
- ▶ **Included extra-large work table**
Provides a stable support system for frames and heavy items.
- ▶ **Included PE-DESIGN® NEXT Upgrade Software***
Allows up to four upgraded PR1000 Series or upgraded PR650 Series machines to be linked to one computer for enhanced productivity.
- ▶ **Optional PR-Series stand (available for additional purchase)**

*Customers must have PE-DESIGN® 5.0 or above software in order to use the included PE-DESIGN® NEXT Upgrade Software.

MULTI-NEEDLE EMBROIDERY

Entrepreneur® PR655

- ▶ **6-needle embroidery machine**
Set up 6 different thread spools at once.
- ▶ **Droplight™ LED Embroidery Positioning Marker**
The LED pointer shows the needle drop position with pinpoint accuracy – critical for embroidery.
- ▶ **Enhanced frame detection**
Add to your creativity with even more frame detection. For use with optional Arm D and Clamp frame or use with Border, Quilt and Round frames.
- ▶ **Large embroidery area of 12" x 8"**
Includes four sizes of embroidery frames: 12" x 8", 5" x 7", 4" x 4" and 2" x 1.5".
- ▶ **Built-in embroidery designs and fonts**
25 built-in embroidery designs; 28 size-adjustable embroidery lettering fonts; Greek, Appliqué, Floral and Renaissance alphabet designs; 3 monogramming font styles, and 15 coordinating accents; 10 frame designs. Plus, 60 BONUS designs on included USB memory stick.
- ▶ **On-screen viewing enlargement feature**
See many designs at up to 200% their actual size.
- ▶ **Individual stitch backup**
Backup through designs by individual stitches, color blocks or groups of 500 stitches.
- ▶ **Automatic needle threading system**
Thread each needle in seconds with the press of a button.
- ▶ **Stitch with confidence using the basting function**
Apply a basting stitch outline to the perimeter of any design to hold the fabric to the stabilizer. Great for larger fabrics and hard-to-hoop items.
- ▶ **Two USB ports**
High speed port for fast design transfers. A second port for machine peripherals.
- ▶ **Computer connectivity with update capability**
Enjoy free machine updates from your computer.
- ▶ **Advanced Super View (ASV) HD LCD touch screen display by Sharp® Corporation**
16.7+ MILLION possible colors with little or no on-screen color shifting and enhanced viewing angle of 176 degrees.
- ▶ **Optional PR-series stand (available for additional purchase)**

SEWING & QUILTING

V
SERIES

SEWING & QUILTING

DreamWeaver™ Innov-is VQ3000

Quilt Club
SERIES

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
561 sewing stitches (531 built-in, 30 on CD), including new wide stitches, crazy quilting, vintage, heirloom, candlewicking and message designs, 14 styles of one-step auto-size buttonholes, 3 sewing fonts, 1 Cyrillic font, and 1 Japanese font.
- ▶ **V-Series: Our largest workspace ever**
Enjoy a 5" x 11.25" workspace to accommodate large projects.
- ▶ **Large 3.6" x 6" LCD touch screen display**
See up to 260,000 colors with little or no on-screen color shifting. View on-screen tutorials and control the machine with the large, intuitive on-screen icons.
- ▶ **10-inch LED Runway® Lighting**
No more task lights needed. Up to 50% brighter than in most Brother machines!
- ▶ **Sew Straight™ Laser Vision Guide**
It's never been easier to sew a straight line. A huge benefit when top stitching, piecing, pintucking and cording.

- ▶ **V-Sonic™ Pen Pal for sewing**
Change needle position, set stitch width and position, select sewing end point, and set laser guide position without taking your eyes off your project – simply touch and sew.
- ▶ **MuVi™ Digital Dual Feed**
Use the direct motor-driven foot to powerfully feed fabric from the top and bottom, giving you greater control.
- ▶ **Up to 1,050 stitches per minute**
Create more works of art in less time.
- ▶ **Automatic Height Adjuster™ (AHA®) feature**
The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.
- ▶ **Pivot function**
The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

- ▶ **Bobbin winding while sewing**
A big time saver – wind bobbins for future use while sewing.
- ▶ **Reinforcement stitch**
With the touch of a button, tie-off stitches can be easily sewn at the beginning and end of the stitch.
- ▶ **Automatic needle threader**
With the touch of a button, the thread is pushed through the eye of the needle. Machine can be threaded manually for twin and specialty needle threading.
- ▶ **Built-in USB port**
Easily import decorative stitches from your memory stick.
- ▶ **Computer connectivity with update capability**
Enjoy free updates from your computer.
- ▶ **Exclusive bag set included – \$299.99 value**
- ▶ **Expansive wide table included**
Provides even more workspace, which is great for working on larger projects such as quilts.

RUNWAY

Innov-ís NQ1300PRW

NEW
2015

► Built-in stitches, buttonhole styles and lettering fonts

290 built-in sewing stitches, including 58 combinable stitches and 10 styles of one-step auto-size buttonholes and 5 sewing lettering fonts.

► 8.3" from needle to arm

More room to the right of the needle to easily maneuver fabric when working on projects of all sizes.

► 14% larger workspace*

Enjoy the expansive work area on the bed of the machine to accommodate large projects.

► Sideways sewing

Perfect for sewing patches and appliqués on projects using the straight stitch and zigzag horizontal sewing capability.

► Automatic Height Adjuster™ (AHA®) feature

The AHA® feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, regardless of fabric thickness, leading to uniform stitch quality across uneven surfaces.

► Pivot function

The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

► Improved sewing

Longer feed dogs and zigzag foot allows for smoother sewing.

► My Custom™ Stitch feature

Create personalized sewing stitches and save for future use.

► Reinforcement stitch

Automatically sew a tie-off stitch or easily sew a block of decorative stitches.

► Advanced needle threading system and automatic thread tension

With the push of a button, the thread is pushed through the eye of the needle.

► Jam-resistant Quick-Set™ drop-in top bobbin

Just drop in a full bobbin, pull the thread through the slot, trim and start sewing.

► Custom rolling bag set included – \$299.99 value

► Wide table included

*Versus previous model without extension table: 36% larger with extension table.

- ▶ **My Custom™ Stitch feature**
Create personalized sewing stitches and save for future use.
- ▶ **Reinforcement stitch**
Automatically sew a tie-off stitch or easily sew a block of decorative stitches.
- ▶ **Advanced needle threading system**
With the touch of a button, the thread is pushed through the eye of the needle.
- ▶ **Jam-resistant Quick-Set™ drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot, trim and start sewing.
- ▶ **Super easy bobbin winding system**
With the fast and simple bobbin winder, you can wind the bobbins with the press of a lever.

*Versus previous model without extension table: 36% larger with extension table.

Innov-is 85e

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
80 built-in stitches, including 10 styles of one-step auto-size buttonholes and 1 sewing lettering font.
- ▶ **Built-in easy needle threading system**
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Easy stitch selection via 10-digit pad and large back-lit LCD screen display**
Select desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the large back-lit LCD display.
- ▶ **Ability to combine stitches for greater creativity**
Combine stitches into favorite patterns, repeat patterns and create mirror images of stitches.
- ▶ **Jam-resistant Quick-Set™ drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot, trim and start sewing.
- ▶ **Memory**
Save your favorite stitch in one of the memory pockets for future use.
- ▶ **Lightweight and portable**
Convenient and easy to take on-the-go or to classes.
- ▶ **Wide table included**

Innov-is 40e

- ▶ **Built-in stitches and buttonhole styles**
50 built-in sewing stitches, including 5 styles of one-step auto-size buttonholes.
- ▶ **Built-in easy needle threading system**
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Jam-resistant Quick-Set™ drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Easy stitch selection via unique dial and LCD display**
Select the desired stitch pattern and view in the LCD display.
- ▶ **Start/Stop button**
Sew with or without the electronic foot controller attached.
- ▶ **Easy one-step drop feed button**
Drop the feed dogs to smoothly move fabrics for free-motion sewing and quilting.
- ▶ **Variable speed control**
Fast or slow, your machine retains its full power.
- ▶ **Lightweight and portable**
Convenient and easy to take on-the-go or to classes.
- ▶ **Soft cover**
Helps keep your machine free from dust.

LAURA ASHLEY,

Innov-is NX2000

Quilt Club®
SERIES

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
460 built-in sewing stitches (430 built-in and 30 on CD), including 12 styles of one-step auto-size buttonholes and 3 sewing lettering fonts.
- ▶ **Pivot function**
The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation. Provides precisely executed stitches on corner turns, a must-have feature for mitered corners, bound buttonholes, welt pockets and so much more.
- ▶ **Thread sensors**
Machine automatically stops sewing prior to running out of bobbin thread and the upper thread tension sensor recognizes when upper thread is empty or broken.
- ▶ **Adjustable presser foot pressure and height**
Adjust the presser foot pressure and height for smoother delivery of fabric height variations.
- ▶ **Advanced LCD touch screen display**
Select, edit and save stitches, and view built-in tutorials on the 4.6" x 3.5" LCD touch screen display.
- ▶ **Free-motion stitching**
The foot height adjusts for precise free-motion projects. Three free-motion feet included.
- ▶ **Multiple cutting operations**
On-board scissors and programmable trimming allow you to cut the thread with just the touch of button.
- ▶ **Extra-large quilting extension table included**
Expands your sewing work area to easily handle large projects like drapes and quilts.
- ▶ **Included circular attachment and bobbin work**
Enhance your projects with precise circles and beautiful raised stitches.
- ▶ **Wide table included**

Innov-is NX570Q

Quilt Club®
SERIES

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
129 built-in sewing stitches, including 10 styles of one-step auto-size buttonholes and 3 sewing fonts.
- ▶ **Easy stitch selection via 10 stitch keys**
Quickly select the stitch pattern desired with a simple touch on the stitch keys. Easy to attach and view stitch reference chart also included.
- ▶ **Advanced needle threading system**
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Built-in scissors**
Cut the thread with just the touch of a button.
- ▶ **Memory**
Save your favorite pattern combinations in one of the memory pockets for future use.
- ▶ **My Custom Stitch™ feature**
Create personalized sewing stitches and save for future use.
- ▶ **Easy-to-read LCD display screen**
The LCD display screen makes it easy to manage all sewing functions, including stitch selection, stitch length and width and recommended presser feet.
- ▶ **Hard cover included**
Provides travel and storage protection for your machine.
- ▶ **Quilting accessories included**
Free-motion grip, walking foot and quilting foot.
- ▶ **Wide table included**

PQ1500S

Quilt Club®
SERIES

- ▶ **Up to 1,500 stitches per minute**
High speed straight stitch.
- ▶ **Heavy duty construction for sewing, quilting and crafting**
Increased stability at high speeds.
- ▶ **Automatic thread cutter**
Automatically cut the upper and lower thread.
- ▶ **Brother-exclusive pin-feed mechanism**
Moves several layers of fabrics simultaneously for sewing accuracy.
- ▶ **On-board fabric separator tool**
Easily sew seams in contrasting fabrics without puckering.
- ▶ **Knee lifter for quilting**
Ability to lift presser foot with knee, freeing your hands to turn your projects.
- ▶ **4 color-coded levels of feed dog adjustment and presser foot pressure**
For visible and maximum fabric control.
- ▶ **Extension table with bobbin case opening**
Helps you manage those large projects. Easy access point eliminates the need to remove table to replace oversized metal bobbin.
- ▶ **Dual thread stand**
Keep 2 thread spools ready with the on-board thread stand; use the thread spool extender for quick and consistent threading.
- ▶ **Optional 6-needle felting attachment**
- ▶ **Wide table included**

SEWING & QUILTING

SB4138 - Simply Inspired

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
138 built-in sewing stitches, including 10 styles of one-step auto-size buttonholes and 3 lettering styles with lowercase.
- ▶ **Direct 10-key stitch selection and large back-lit LCD screen display**
Select a desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the LCD screen display.
- ▶ **My Custom Stitch™ feature**
Create personalized sewing stitches and save for future use.
- ▶ **Automatic upper thread tension**
Control thread to create even stitches.
- ▶ **Electronic variable speed control**
Fast or slow, your machine retains its full power.
- ▶ **Advanced needle threading system and automatic thread trimming**
Save time by threading and trimming thread with the push of a button.
- ▶ **Digital stitch length and width control**
Adjust the stitch length and width to perfect your project's look.
- ▶ **Drop feed for free-motion sewing and quilting**
Drop the feed dogs to smoothly move fabrics for free-motion sewing and quilting.
- ▶ **Sideways sewing**
Sideways sewing can be used with either straight or zigzag stitches.
- ▶ **Wide table and hard cover included**

SB3129 - Simply Creative

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
129 built-in sewing stitches, including 10 styles of one-step auto-size buttonholes and 3 lettering styles – each with 55 alphanumeric characters.
- ▶ **Direct 10-key stitch selection and large back-lit LCD screen display**
Select a desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information on the LCD display.
- ▶ **My Custom Stitch™ feature**
Create personalized sewing stitches and save for future use.
- ▶ **Advanced needle threading system and automatic thread trimming**
Save time by threading and trimming thread with the push of a button.
- ▶ **Digital stitch length and width control**
Adjust the stitch length and width to perfect your project's look.
- ▶ **Electronic variable speed control**
Fast or slow, your machine retains its full power.
- ▶ **Start/Stop button**
Sew with or without the foot controller attached.
- ▶ **Super bright dual LED work area**
Easy on the eyes when working on dark fabric.
- ▶ **Wide table and hard cover included**

SB700T - Simply Brilliant

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
70 built-in sewing stitches, including 7 styles of one-step auto-size buttonholes.
- ▶ **Back-lit LCD display screen with simple push-button stitch selection**
With just a simple push of a button, select the desired stitch and its optimum settings.
- ▶ **Electronic variable speed control**
Fast or slow, your machine retains its full power.
- ▶ **Easy bobbin winding system**
With the fast and simple bobbin winder, you can wind the bobbins with the press of a lever.
- ▶ **Jam-resistant Quick-Set™ drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Free arm sewing surface**
Perfect for sewing cuffs and sleeves.
- ▶ **Easy-to-use needle threading system**
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Reverse stitch**
Easy reinforcement stitch with the touch of a button.
- ▶ **Wide table included**

SB530T - Simply Elegant

- ▶ **Built-in stitches, buttonhole styles and lettering fonts**
53 built-in sewing stitches, including 1 style of one-step auto-size buttonhole.
- ▶ **Brightly lit LED work area**
Easy on the eyes when sewing on dark fabrics, ensuring accurate seams and stitch quality.
- ▶ **Easy stitch selector dial**
Choose the desired stitch from the stitch reference guide, then easily select stitches using the convenient dial.
- ▶ **Built-in threading system makes threading easy**
With the press of a lever, the thread is pushed through the eye of the needle.
- ▶ **Jam resistant Quick-Set™ drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Quick change presser feet**
Easily change the feet to meet your sewing needs.
- ▶ **Free arm sewing surface**
Perfect for sewing cuffs and sleeves.
- ▶ **Adjustable stitch length and width**
Sew fine details easily and accurately.
- ▶ **Wide table included**

SB170 - Simply Affordable

- ▶ **Built-in stitches and buttonhole styles**
17 built-in sewing stitches, 1 style of one-step auto-size buttonhole.
- ▶ **Easy-to-use blind hem stitch**
Stitch professional-looking hems, helping to make mending less of a chore.
- ▶ **Brightly lit LED work area**
Easy on the eyes when sewing on dark fabrics and ensures accurate seams and stitch quality.
- ▶ **Easy bobbin winding system**
With the fast and simple bobbin winder, you can wind the bobbins with the press of a lever.
- ▶ **Jam-resistant drop-in top bobbin**
Just drop in a full bobbin, pull the thread through the slot and start sewing.
- ▶ **Easy stitch selector dial**
Choose the desired pattern from the reference guide, and then easily select the pattern using the convenient dial.
- ▶ **Upper thread tension control dial**
Control thread tension to create even stitches.
- ▶ **Free arm sewing surface**
Perfect for sewing cuffs and sleeves.

SERGER

project
RUNWAY

5234PRW

- ▶ **2/3/4 thread (1 or 2 needles)**
Multiple thread options allow you to easily convert between 2, 3 or 4 thread stitches for professional finishes.
- ▶ **Color-coded thread guides**
Allows for easy upper and lower looper threading and quick thread changes with all thread types.
- ▶ **Easy one-touch needle threading for two needles**
Easy-to-use in either needle position and easy on eyes and fingers.
- ▶ **Included large extension table/storage**
Expands your work area and makes for greater fabric control while overlocking. Flip-up storage area for speed controller and presser feet.
- ▶ **Two stitch fingers**
Adjust thread tightness for perfectly formed stitches on varying fabric thicknesses.
- ▶ **Bright work area**
Dual level bright LED lighting is easy on the eyes.
- ▶ **Differential feed ratio of 0.7mm to 2.0mm**
Helps improve stitch quality on all types of fabric and acts as the tool for custom lettuce edge finishes on specialty fabrics.
- ▶ **Up to 1,300 stitches per minute**
Saves time when sewing and completing serged edges.
- ▶ **Free arm serging**
Removable table section makes serging cylindrical pieces quick and easy.
- ▶ **Specialty feet included**
Blind stitch foot and gathering foot.
- ▶ **Adjustable stitch width and length**
Easily set the stitch size for your project.

3034D

- ▶ **3/4 thread (1 or 2 needles)**
Create a precise seam finish for professional garment appearance with household sewing needles.
- ▶ **Color-coded thread guides and tension disks**
Allows for easy upper and lower looper threading and quick thread changes with all thread types.
- ▶ **Stitch length 0.8mm to 4mm**
Suitable for any type of project and easily adjustable with stitch width dial.
- ▶ **Differential feed ratio of 0.7mm to 2mm**
Helps improve stitch quality on all types of fabric and acts as the tool for custom lettuce edge finishes on specialty fabrics.
- ▶ **Stitch width 3mm to 7mm**
Adjustable to provide the perfect stitch width, especially on lightweight fabrics, or to create the popular rolled hem on napkins and tablecloths.
- ▶ **Up to 1,300 stitches per minute**
Helps save time when sewing and completing serged edges.
- ▶ **Free arm serging**
Removable table section makes serging cylindrical pieces quick and easy.
- ▶ **Dual use removable trim trap**
Collects fabric as the adjustable serger knife trims and serges.
- ▶ **Presser foot pressure adjustment**
Manage different fabric weights with presser feet pressure adjustment.
- ▶ **Specialty feet included**
Blind stitch foot and gathering foot.

SERGERS

1034D

2340CV

- ▶ **3/4 thread**
Create precise seam finishing and rolled hems with 3 or 4 threads.
- ▶ **Color-coded upper thread guides and looper threading**
Allows for easy threading.
- ▶ **Stitch length from 2mm to 4mm**
Suitable for any type of project.
- ▶ **Differential feed ratio of 0.7mm to 2mm**
Helps improve stitch quality on all types of fabric.
- ▶ **Stitch width from 4.5mm to 7mm**
Adjustable to provide the perfect stitch width all the time.
- ▶ **Up to 1,300 stitches per minute**
Saves time when sewing.
- ▶ **Removable free arm**
Slide off arm for easy cylindrical serging.
- ▶ **Presser foot pressure adjustment**
Manage different fabric weights with presser feet pressure adjustment.
- ▶ **Storage**
Accessory tool storage on front panel flip-down door. Removable trim trap for foot controller storage and trim collection while serging.

- ▶ **Wide variety of cover stitches, from utility to decorative**
Professionally finish edges with single or dual top-stitching look. Finish interior edges and attach decorative edging at the same time. Create durable strapping for swimsuits and dance garments. Chain stitch finish for hems or belt loops.
- ▶ **Color-coded upper thread dials and looper thread guides**
Allows for easy threading.
- ▶ **1-2-3 needle options**
Utility, flatlock and decorative stitches have even more possibilities with a variety of needle positions.
- ▶ **Stitch length from 2mm to 4mm**
Suitable for many types of projects.
- ▶ **Fast and easy looper threading system**
Color-coded with thread management guides to assure proper thread delivery.
- ▶ **Slide lever adjustment for differential feed**
A professional edge finish helps reduce the wavy or stretch appearance of stitches on fabrics.
- ▶ **Fully extendable thread guide**
Numerically-coded guides for specialty threads; spool guides and thread nets for serger thread and domestic thread spools.
- ▶ **Presser foot pressure adjustment**
Adjustment screw assures consistent fabric delivery.
