To seal the knife unit of your food processor

Find matching products on the specifications tab

The sealing ring, which is part of your food processor, prevents leakages from the jar of your device, by closing off the knife unit.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
