HP PSC 1610

All-in-One

Printer/Scanner/Copier

True-to-life photos that last

Print high-quality photos that last for generations¹ with HP Viverna Inks and up to 4800-optimised dpi² resolution.

Print photos without a PC

With an integrated multi-slot memory card reader and PictBridge compatibility, you can now print photos directly from your all-in-one.

Compact and easy-to-use

The informative text-display and intuitive one-touch buttons make printing, copying and scanning photos and documents extremely easy.

¹ Based on Wilhelm Imaging Research, Inc. light fade testing under glass using HP Viverna Inks on HP Premium Plus photo papers.

² Up to 4800 x 1200-optimised dpi colour when printing from a computer and 1200-input dpi.

Note: The product picture featured is a representation; actual product may differ slightly.

True-to-life colours and easy
photo printing – the all-in-one
for home creativity

HP PSC 1610

All-in-One

Printer/Scanner/Copier

It's easy to create and share with the HP PSC 1610 All-in-One. Now, your entire family can look forward to printing, scanning and copying from one compact device, even without a PC! True-to-life photos, high-quality scanning and copying are some of the great features that make image sharing and home projects simple and fun.

Print brighter and more vivid photos with new HP Vivera Inks

4800-optimised dpi¹ mode

Lower resolution printout

Optional 6-ink colour² for true-to-life photo printing

Borderless photo printing

True-to-life photos that last

- **Exceptional print quality**

Bring all your photos to life with 4800-optimised dpi¹ colour printing. What's more, with new HP Vivera Inks you can be assured of stunning, vibrant and sharp results every time you print in colour and in black-and-white.

- **Optional 6-ink colour printing²**

Add an optional HP 99 Photo Inkjet Print Cartridge for enhanced colour reproduction and images that are virtually grainfree – all thanks to HP PhotoREt 4 Colour Layering Technology.

- **Exceptional fade resistance³**

Specially formulated HP Vivera Inks ensure that images printed on HP Premium Plus Photo paper will resist fading longer than traditionally processed photos³. Just what you need to preserve precious memories for generations to come.

- **Borderless photo printing**

True edge-to-edge printing offers a perfect finishing touch when you print or copy 4 x 6 inch and A4-size photos.

Print photos without a PC

Easily print photos without a PC using memory cards⁴, the HP Photo Proof Sheet or by connecting a PictBridge compatible digital camera to the front USB port.

Compact and easy-to-use

This compact all-in-one has a two-line text display screen and intuitive one-touch buttons which make printing, copying and scanning photos and documents extremely easy.

Fast performance

Complete your home projects quickly with fast print and copy speeds of up to 23 pages per minute (ppm) in black and 18 ppm in colour⁵.

Versatile, high quality scanning

Thanks to 1200 x 4800 dpi scanning resolution, every scan comes alive with vibrant colours and sharp photographic detail. You can also scan photos and documents directly to email, Microsoft Word or other applications.

Innovative and useful HP software

• HP Image Zone

Quickly edit, organise and enhance photos with HP Image Zone. Featuring drag-and-drop simplicity, this innovative software lets you print wallet-size to full-page photos easily. With adjustable controls for image exposure, colour, rotation, scaling and sharpness, it has all the tools you need for printing professional looking photos.

• HP Instant Share

Enjoy hassle-free photo sharing with HP Instant Share. It enables you to send and receive photos without the burden of large photo file attachments.

Print photos directly using the integrated memory card reader³ or by connecting a PictBridge-enabled camera

HP Photo Proof Sheet lets you choose the best photos to print

Convenient one-touch buttons

With HP Image Zone, it's easy to print, edit and organise your photos

- 1 Up to 4800 x 1200-optimised dpi colour when printing from a computer and 1200-input dpi.
- 2 6-ink colour printing and copying is available with purchase of optional HP 99 Photo Inkjet Print Cartridge; not included; sold separately.
- 3 Based on Wilhelm Imaging Research, Inc. light fade testing under glass using HP Vivera Inks on HP Premium Plus photo papers.
- 4 Memory card slots support multiple formats, including CompactFlash™, Smart Media, Memory Stick®, Secure Digital/Multimedia/Secure MultiMedia, and xD-Picture Card™.
- 5 Print and copy speeds may vary according to the complexity of the document and type of output.
