- Up to 30-hour music playback
- Personalized slideshows to accompany your music listening
- Rocking lens for easy navigation

Easy and intuitive music experience

- Folder view to organize and view media files like on your PC
- Drag and drop your songs easily - no software needed
- Direct charging from PC via USB

PHILIPS

sense and simplicity

Highlights

FullSound™

Philips' innovative FullSound technology faithfully restores sonic details to compressed MP3 music, dramatically enriching and enhancing it, so you can experience CD music without any distortion. Based on an audio post-processing algorithm, FullSound combines Philips' renowned expertise in music reproduction with the power of the latest generation Digital Signal Processor (DSP). The result is fuller bass with more depth and

impact, boosted voice and instrument clarity, and rich detail. Rediscover your compressed MP3 music in true-to-life sound that will touch your soul and move your feet.

Rhapsody and Audible

Enjoy the best audio content on your Philips GoGear with Rhapsody and Audible. The Rhapsody online music service gives you access to millions of full-length, CD-quality tracks from different genres. Rhapsody lets you discover

loads of music with guides and recommendations, and a unique channel feature. Audible offers over 75,000 audio programs from leading audiobook publishers, broadcasters, entertainers, magazine and newspaper publishers, and business information providers. Choose from a monthly plan or buy content a-la-carte to take with you on your GoGear.
