PHILIPS
sense and simplicity

Highlights

Forms and materials

Philips myLiving is designed to fit perfectly with the best of all interior decoration, offering multiple styles to blend perfectly in anyone's home. With many applications and finishes, it combines well with features like curtains, furniture, paint and accessories to complete the look you desire. Careful attention to details and designs helps you to express your personal style, for interior decoration just the way you want it. This means inviting ambience and surroundings that friends, family and you will enjoy.

Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips myLiving. It's a range of decorative pendants, wall, ceiling, floor and table lamps in premium materials and different colors.

Philips lamp(s) included

This luminaire comes with Philips lamp(s), offering you the best light quality and effect, matching your luminaire.

Brilliant with light

This luminaire offers brilliant light to highlight features or create nice ambience in your room while saving energy compared to traditional halogen lamps.

Long lifetime

Eco-Halogen lamps last up to 4.000 hours.

Saves up to 40% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Compatible with wall dimmer

Adjustable light and color intensity with dimmer switch, for the perfect light tone (dimmer switch not included in the box). This makes this luminaire ideal for creating the right ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living-room or offering functional light in corridors for example.

On/off switch on article

With the button discreetly integrated to the article, you can easily switch the light on and off.
