

InLine® USB 2.0 Network Adapter 10 / 100MBit

* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 33380H

The USB network adapter allows you to any 10Mbps, 100Mbps or 10/100Mbps network connection. Will require only a USB or USB 2.0 output. The power is supplied via the USB port. With the built-in hardware detection of Windows operating systems and the "Hot Swap" feature from USB, you only need a few minutes to integrate the adapter in your system.

- 100Mbps data rate IEEE 802.3u
- Supports standard protocols such as TCP / IP and IPX
- full duplex support, no power adapter required
- Full data rate to 12Mbit/s on USB 1.1 port
- Full data rate up to 100Mbit/s at the USB 2.0 port
- Plug and Play, 2000/2003/XP/Vista/7/8/10 driver for Windows, Linux, from 2.6x, Mac 10.x on
