

Case Logic DCB Collection

DSLR Shoulder Bag

DCB-307

Accented with vibrant red detailing, this camera case is tailored to fit most SLR cameras. Carrying options include a shoulder strap or grab handle and storage options provide a home for additional lenses or photo accessories.

Product Features:

1. Compatible with most SLR cameras with attached lens, 2 extra lenses and multiple accessories
2. Adjustable internal divider system for optimal customization and storage (store camera vertically to accommodate attached battery grip or horizontally)
3. Side zippered pockets store extra battery, charger cables and other small accessories
4. Internal zippered pocket stores memory card, filter or lens cloth
5. Quality materials and logical organization ensure your camcorder is stored safely inside, yet instantly accessible
