- SwitchStream - never miss a beat, never miss a call.
- Integrated mic, volume and track control on headset

Talk freely - hands-free and wireless

- Wireless call management
- Clear calls even in windy or noisy environments

PHILIPS

Highlights

Sweat proof

Designed with a water resistant seal to protect your headphones from sweat-related damage

Washable

Constructed with waterproof materials allowing you to wash your headphones under running tap water

Bass thumping stereo sound

Acoustics finely tuned to enhance the sporting experience - fuel for your workout

For best sound at low volume

You don't have to turn up the volume in noisy places any more. Angled Acoustic Pipe and the perfectly sealing ear buds cut off background noise significantly, delivering the same quality sound at a lower volume and with a longer battery life.

3-size ultra-soft silicone caps

The 3 sizes of ultra-soft silicone caps of these Philips earphones sit comfortably in your ears without adding pressure to them whilst blocking out unwanted noise.

SwitchStream

With SwitchStream you will hear a ringtone in your Philips wireless headphones when you are receiving a call on your Bluetooth-enabled phone. You can then pick up the call from your headset and return to your music after ending the call. Never miss a beat, never miss a call.

Easy call and music management

Sensitive microphone, volume, call and track controls are all integrated into the headset so you don't need to take out your mobile phone to change volume, tracks or to pick up a call.

Dual mic for noise reduction

This headset is built with dual mic technology for noise reduction. It allows crystal clear calls, even in windy or noisy environments.

Wireless call management

Manage your call without using your mobile phone. This includes call acceptance, rejection, voice dial and redial. Voice dial and redial have to be supported by your mobile phone.

Specifications

Connectivity

- Bluetooth profiles: A2DP, AVRCP, hands-free, headset

Power

- Battery Type: Li-polymer
- Rechargeable

Convenience

- Volume control

Packaging dimensions

- Packaging dimensions (W x H x D): 13.97 x 19.5 x 8 cm
- EAN: 69 23410 70388 7
- Gross weight: 0.1265 kg
- Net weight: 0.0715 kg
- Number of products included: 1
- Packaging type: Blister
- Tare weight: 0.055 kg
- Type of shelf placement: Both

Outer Carton

- EAN: 87 12581 55520 7
- Gross weight: 0.5545 kg
- Outer carton (L x W x H): 21.2 x 14.7 x 25 cm
- Net weight: 0.2145 kg
- Number of consumer packages: 3
- Tare weight: 0.34 kg

Issue date 2014-09-26

Version: 3.0.7

12 NC: 8670 000 62473
