Quick and easy messaging

- WVGA TFT touch screen

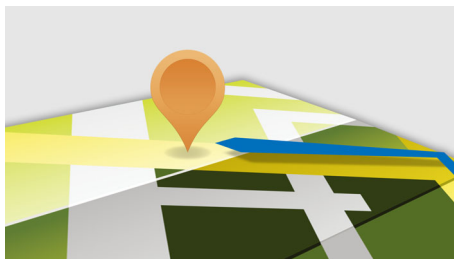

Multimedia essentials

- MicroSD memory card slot for extra memory/ data storage
- Enjoy Bluetooth stereo music
- 5 megapixel autofocus camera with flash

PHILIPS

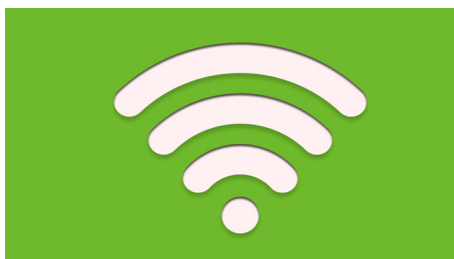

Highlights

Built-in GPS

Keep track of where you are, find locations and discover new places quickly and easily! With a valid map, your phone's built-in GPS receiver can help you navigate your way.

WLAN connectivity

With WLAN, you can enjoy speedy access to the Internet on your mobile phone. Go ahead

and leisurely browse the web or send emails and files.

Bluetooth stereo music

Your Philips mobile phone supports A2DP Bluetooth Profile. It lets you enjoy your favorite tunes wirelessly and in high quality stereo music from your Bluetooth headphones.

MicroSD memory card slot

You can now enjoy extra capacity and storage of multimedia files by inserting a MicroSD memory card into the built-in memory card slot of your phone.

Dual mode (EVDO and GSM)

Your Philips mobile phone incorporates both UIM and SIM cards to allow you access to

EVDO and GSM network connections at the same time. Now you can enjoy wider mobile coverage on two networks with just one phone.

Windows Mobile 6.5

Experience the true power of your Philips phone with Microsoft's mobile operating system, Windows Mobile 6.5. This smart application lets you access your life, the Web as well as your friends - anywhere, anytime. Extend your reach and expand all possibilities like never before!

5 MPixel AF camera with flash

Capturing memorable moments is as simple as point-and-shoot. A built-in flash allows you to capture clear, sharp images - even in dim lighting conditions.
