

## SATA III PCIe COMBO CARD

111920

The equip<sup>®</sup> SATA III PCIe Combo Card provides a high-speed data transfer rate up to 6Gbps. You can insert one HDD in your PC and get also access to an external storage via eSATA simultaneously. In addition, NCQ conformity can optimize the movement of HDD head to enhance the overall performance.

### I Specification

|                            |                                  |
|----------------------------|----------------------------------|
| <b>Connectors</b>          | 1 x SATA Female                  |
|                            | 1 x eSATA Female                 |
| <b>Physical Properties</b> | PCB Dimension: 64 x 59 x 9mm     |
|                            | Bracket: 120mm                   |
|                            | Weight: 34g                      |
| <b>Operating System</b>    | Win Server 2003 / XP / Vista / 7 |

### I Key Features

- SATA III Transfer Rate up to 6 Gbps
- Compliant with 5Gbps PCI Express 2.0 and Serial ATA Specifications 2.6
- Compatible with SATA / SATA II / SATA III
- Hot-Plug Capability
- Supports Native Command Queuing (NCQ)
- Low Profile PCI Form Factor
- Two Pin Headers on Board for LED Connection

### I Ordering Information

Package Size / Weight: 192 x 152 x 40mm / 133g

EAN: 4015867160558

### I Package Contents

- 1 x SATA III PCIe Card
- 1 x Driver CD
- 1 x Quick Installation Guide
