Models

USB/PS2 Keyboard	DC852A#ABA/ DC852A#ABC
USB/PS2 Mouse	DC369A
Optical USB Travel Mouse	F2100A

Introduction

HP Input/Output devices provide additional desktop functionality for HP business notebooks. The USB & PS/2 Keyboard provides all the functionality of a USB, PS/2, and windows keys compatible keyboard, and also offers eight "easy access" buttons. The USB & PS/2 Mouse is a two-button mouse with scroll wheel that provides the speed and accuracy of optical tracking in a simple, elegant design. Both connect to standard USB ports and also come equipped with a USB to PS/2 adapter that converts from a USB Series connection to a PS/2 connection. The Optical USB Travel mouse delivers the convenience, comfort, and elegance of optical mouse operation in a miniature size - an ideal solution while on the road.

Key Benefits

USB & PS/2 Keyboard and USB & PS/2 Mouse

- Keyboard allows customized programming of buttons to launch user-specified applications
- Keyboard features pre-programmed buttons for easy access to useful business web sites
- Mouse improves precision by using optical tracking
- Mouse allows scroll wheel to function as a third button
- Both connect to USB or PS/2 ports

Optical USB Travel Mouse

- Optical navigation driven by blue LED
- Three (3) interchangeable covers (included) to instantly change the color and texture of the mouse
- USB interface
- Two buttons plus clicking scroll wheel
- Miniature size ideal for travel

Compatibility

HP's USB/PS2 Keyboard and USB/PS2 Mouse are compatible with HP business notebook and docking products. The Optical USB Travel Mouse is compatible with all HP notebooks that provide a USB port.

Service and Support

HP's Input/Output devices have a one-year limited warranty or the warranty remaining for the HP product in which it is installed. Technical support is available seven days a week, 24 hours a day, as well as in online support forums.
