PHILIPS

Highlights

Up to 1 month standby time

The phone can be on and in standby mode continuously for up to 1 month on a single charge.

Up to 8.5 hours talk time

The phone can support up to 8.5 hours talk time on a single charge.

Bluetooth

Bluetooth technology allows easy wireless connection to other Bluetooth devices on the

go. Enrich your mobile multimedia experience by using your Bluetooth headset, easily and quickly sharing files or synchronizing personal data to and from your phone.

Infrared

Infrared is the simplest wireless technology for information exchange at close range, allowing easy sharing of images, backgrounds, songs, and phonebook contacts with friends and family and enabling wireless access to the internet through your PC.

Voice appointment reminder

An enhanced agenda function for users to create voice-based appointments which will alert them with an audio or voice memo when appointments are due.

1000 phonebook entries

Huge storage memory holds up to 1000 phonebook entries and up to 5 numbers each allowing convenient storage of all business and personal contacts.
