Highlights

Access to all controls

The openings on this case allow convenient access to all controls and dock connector, so you can use your device while it's protected inside the case.

Integrated cord storage

The integrated cable winder on the back of the case is small and discreet, and easily lifts up so you can quickly wrap and store your headphones right on the case.

Easy on/off

The flexible construction allows for ease of putting and taking off.

Shock-absorbing holster

The shock-absorbing holster grips firmly to securely fasten to your belt or bag.
