

ASSURANCE PROGRAM

A wide range of Scanner Services from Fujitsu to protect your investment for up to 4 or 5 years, helping your business to be productive and competitive.

Service Descriptions: Personal Scanners, S1100, S1300i, S1500, S1500M and iX500

Advance Exchange

Our Exchange service comprises of rapid permanent replacement of the faulty scanner and includes:

- Delivery of a replacement scanner (becomes customers property).
- Collection of the faulty scanner (becomes property of Fujitsu).
- Two way shipping costs.
- Spare Parts and Labour to repair the faulty scanner.

The replacement product is shipped in a robust shipping carton, complete with scanner specific foam interior to ensure that the replacement scanner arrives undamaged and is ready to go as soon as it arrives. The re-usable shipping carton eliminates damage in transit, whilst significantly cutting down on waste cardboard in our service operation. This helps us reduce our environmental impact.

Advance Exchange PLUS

For customers who asset tag their devices and require their original tagged scanner returned after repair, we offer Advance Exchange PLUS (Double Exchange) for the S1500/M and iX500 products. This works exactly the same as Advance Exchange, with the addition of returning your repaired scanner and collecting the temporary scanner. Advance Exchange PLUS includes:

- Delivery of a replacement scanner (temporary loan device).
- Collection of the faulty scanner (returned to the repair centre).
- Delivery of the repaired scanner.
- Collection of the temporary loan device.
- Two way shipping costs (twice).
- Spare Parts and Labour to repair the faulty scanner.

The replacement product is shipped in a robust shipping carton, complete with scanner specific foam interior to ensure that the replacement scanner arrives undamaged and is ready to go as soon as it arrives. The re-usable shipping carton eliminates damage in transit, whilst significantly cutting down on waste cardboard in our service operation. This helps us reduce our environmental impact.
