

Philips
docking speaker

for iPod/iPhone/iPad
Clock display

DS1210

Sound that fits your home

Obsessed with sound

This sleek docking speaker fills your mornings with delightfully rich music. Perfect for the bedside, it tells time, wakes you up, works as a nightlight and charges up to two iPods, iPhones or iPads together.

Surprisingly rich sound

- Rich omni-directional sound to fill your bedroom
- Neodymium speakers for pure balanced sound
- Precisely tuned bass pipes for deep, tight bass reproduction
- Shielding technology to block mobile phone interference

Designed for your bedroom

- Design fit for iPod/iPhone/iPad
- Soft glow night light

Advanced versatility

- Dock any iPod/iPhone/iPad, even in its case
- LED clock display for clear time viewing
- Auto clock synchronization with iPod/iPhone/iPad when docked
- Charge both iPhone and iPad together
- Free DockStudio app for internet radio & other cool feature

Highlights

Auto clock synchronization

When connect and dock, this docking station will automatically synchronize the clock with your iPod/iPhone/iPad.

Charge both iPhone and iPad

Charge your iPad on this Fidelio docking station through the dock connector. At the same time, you can also charge your iPod, iPhone or any other mobile device via USB connector together.

Dock in its case

The smartly designed spring-loaded docking port of this Philips speaker effortlessly accommodates any iPod or iPhone, without special adaptors. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

LED clock display

LED clock display for clear time viewing

Soft glow night light
