

HP Photosmart A526 Compact Photo Printer

Get lab-quality 10 x 15 cm photos in just a few simple steps – insert a memory card, view your photos via the 6 cm display and print. You can even enhance photos and remove red-eye using the HP Red-eye Removal button – all without a PC.

The HP Photosmart A526 Compact Photo Printer is designed for people wanting a quick, fun and convenient way to view, select, enhance, print and share high quality photos when out visiting friends or family, without the need for a PC.

Simply pop in your camera's memory card, view your photos and print – no PC required.

Print beautiful 10 x 15 cm photos with or without borders without having to connect to a PC. All it takes is a few simple steps. Just pop in your camera's memory card – or connect to your PictBridge-enabled camera and preview and select your photos via the clear 6 cm colour display. Decided which to print? Simply press the Print button and get beautiful results in as fast as 39 seconds. You can even carry on browsing and selecting photos while you print.

Print instant-drying, lab-quality photos that you can handle straight from the printer.

Print instant-drying, water-resistant photos that you can pass around straight from the printer – without smudging or smearing – and get lab-quality results that will resist fading for generations¹ when you print with HP Viverna Inks on HP Advanced Photo Paper. Get the photo you intended to take – use the one-touch HP Red-eye Removal button to automatically enhance photos of friends and family before you print them, without using a PC.

Choose where, when and how you print – at home, at a party, even on holiday.

Take this printer almost anywhere – compact design features fold-up tray and built-in handle to make it easy to carry and fit in small spaces. Use it on a coffee table, kitchen counter or desk. For real flexibility – and great fun – you can also print directly from Bluetooth-enabled camera phones and PDAs via an optional HP bt500 Bluetooth® USB 2.0 Wireless Printer Adapter (not included, please purchase separately).
