

IWB600-UNIV

Universal Whiteboard Mount

For attaching over existing marker boards and chalkboards

The IWB600-UNIV universal wall mount is a cost effective solution for effortlessly adding interactive whiteboards to the classroom and boardroom. Designed to fit directly over the existing chalkboard, the mount is easy to install and simple to adjust. This universal design clamps to most boards while also maintaining dedicated mounting hole patterns for a select group. Please see the features bullets for dedicated board compatibility.

Max load: 70lb (32kg)
