- Drip-stop system keeps your garments spotless while ironing

Auto Energy Saving

- Automatic Energy Saving

Highlights

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Auto Energy Saving

Automatic Energy Saving The innovative feature in the Philips steam iron, makes sure you get the 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

Steam boost up to 140 g

Applying steam boost will release a steam shot up to 1400g to remove even the toughest creases
