Highlights

Precision Cutting System

The electric shaver has ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.

Super Lift & Cut technology

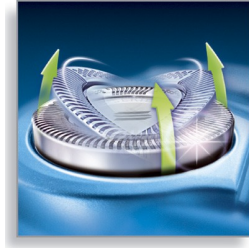

The dual blade system of this electric shaver lifts hairs to cut comfortably below skin level.

Reflex Action system

Automatically adjusts to every curve of your face and neck.

Individually floating heads

Align the razor sharp blades of your Philips shaver closer to your skin for exceptional closeness.

Jet Clean system

Use the Jet Clean system to clean and lubricate the blades automatically. It also recharges the battery after every use.
