

InLine® SCSI III Adapter internal, 68/50 male/male, with active termination (upper 8 Bit) angled

* Preise inkl. gesetzlicher MwSt. zzgl.Versandkosten

Marke: INL

Bestell-Nr.: 72969W

50pin IDC plugs to 68-pin mini Sub D plug, internal, moulded. e.g. **UW HDD** an **50-wire ribbon cable** with **active termination** of upper 8 Bit

Termination of upper 8 Bit becomes necessary if the UW HDD is *Not* the last device to be connected to the 50-wire ribbon cable. U2W HDDs connected to a 50 -wire ribbon cable must be adapted by means of an adapter terminating the upper 8 Bit. The cable end *cannot* be terminated by a U2W HDD.
