JABRA LINK 360

CONNECTS YOUR BLUETOOTH AUDIO DEVICE
WITH YOUR PC AND SOFTPHONE

Jabra Link 360 is a discreet, plug-and-play *Bluetooth®* mini adapter that connects your Jabra *Bluetooth®* audio device with your PC and softphone. Jabra Link 360 allows you to manage both PC and mobile calls with a single audio device and gives you wireless mobility up to 100 meters/300 feet. With HD Voice you can enjoy high-definition sound from your softphone and get life-like, vibrant conversations.

SUPERIOR RANGE FOR OPTIMAL MOBILITY

The Jabra Link 360 Bluetooth adapter gives you the freedom to move about in and outside of the office. Its *Bluetooth®* Class 1 secures a best-in-class range of up to 100m/300ft from your PC, so you can call and multitask on your terms.

CRYSTAL CLEAR SOUND

Jabra Link 360 incorporates a number of sound quality features, such as HD Voice for crystal clear, intelligible conversations, and HiFi Audio Streaming with A2DP that allows you to stream music, podcasts and GPS directions in HiFi quality.

CALL CONTROL AT YOUR FINGERTIPS

Convenient call control from your *Bluetooth®* audio device lets you enjoy quick, optimized use of your softphone. At the press of a button you can answer/end calls, put calls on hold, adjust volume and mute the microphone.
